To Whom It May Concern,

The Town of South Cle Elum has approved a second water connection for the property located at 911 Westside Rd.

Please note that while the connection has not yet been purchased or installed, the Town Council has granted permission for the installation to proceed once Mr. Sarginson is ready.

If you have any questions or require further information, please feel free to contact me at Town Hall.

Sincerely,

A handwritten signature in black ink, appearing to read "Matt Mackenzie", with a long horizontal line extending to the right.
