Hi Zach,

This review is in response to the short plat application SP-26-00004 Moulton.

The proposed undertaking falls outside of what the Colville Business Council has delineated as the traditional territory of the tribes which compose the Confederated Tribes of the Colville Reservation. As such, we recognize that there may be other interested parties, particularly tribal partners, who have more immediate concerns for the potential effects of this undertaking to resources of historic, cultural, or religious significance. We will defer to their concerns and opinions with regards to this undertaking.
