KITITAS COUNTY, WASHINGTON

RECEIVING NO. 200808130015

SP-07-68

NOTES:

1. THIS SURVEY WAS PERFORMED USING A TOPCON GTS SERIES TOTAL STATION. THE CONTROLLING MONUMENTS AND PROPERTY CORNERS SHOWN HEREON WERE LOCATED, STAKED AND CHECKED FROM A CLOSED FIELD TRAVERSE IN EXCESS OF 1:10,000 LINEAR CLOSURE AFTER AZIMUTH ADJUSTMENT.
2. A PUBLIC UTILITY EASEMENT 10 FEET IN WIDTH IS RESERVED ALONG ALL LOT LINES. THE 10 FOOT EASEMENT SHALL ABUT THE EXTERIOR PLAT BOUNDARY AND SHALL BE DIVIDED 5 FEET ON EACH SIDE OF INTERIOR LOT LINES. SAID EASEMENT SHALL ALSO BE USED FOR IRRIGATION.
3. FOR SECTION SUBDIVISION, CORNER DOCUMENTATION, BASIS OF BEARINGS AND ADDITIONAL SURVEY INFORMATION, SEE BOOK 31 OF SURVEYS, PAGES 208-209, AND THE SURVEYS REFERRED THEREON.
4. PER RCW 17.10.140 LANDOWNERS ARE RESPONSIBLE FOR CONTROLLING AND PREVENTING THE SPREAD OF NOXIOUS WEEDS. ACCORDINGLY, THE KITITAS COUNTY NOXIOUS WEED BOARD RECOMMENDS IMMEDIATE RESEEDING OF AREAS DISTURBED BY DEVELOPMENT TO PRECLUDE THE PROLIFERATION OF NOXIOUS WEEDS.
5. BY KITITAS COUNTY ORDINANCE, ONLY SPRINKLER OR DRIP IRRIGATION IS ALLOWED FOR LOTS 3 ACRES OR LESS IN SIZE.
6. MAINTENANCE OF THE ACCESS IS THE RESPONSIBILITY OF THE PROPERTY OWNERS WHO BENEFIT FROM ITS USE.
7. AN APPROVED ACCESS PERMIT WILL BE REQUIRED FROM THE DEPARTMENT OF PUBLIC WORKS PRIOR TO CREATING ANY NEW DRIVEWAY ACCESS OR PERFORMING WORK WITHIN THE COUNTY ROAD RIGHT OF WAY.
8. ANY FURTHER SUBDIVISION OR ADDITIONAL LOTS TO BE SERVED BY THIS ACCESS MAY RESULT IN FURTHER ACCESS AND ROAD REQUIREMENTS. SEE KITITAS COUNTY ROAD STANDARDS.
9. THE SUBJECT PROPERTY IS WITHIN OR NEAR EXISTING AGRICULTURAL OR OTHER NATURAL RESOURCE AREAS ON WHICH A VARIETY OF ACTIVITIES MAY OCCUR THAT ARE NOT COMPATIBLE WITH RESIDENTIAL DEVELOPMENT FOR CERTAIN PERIODS OF VARYING DURATION. AGRICULTURAL OR OTHER NATURAL RESOURCE ACTIVITIES PERFORMED IN ACCORDANCE WITH COUNTY, STATE AND FEDERAL LAWS ARE NOT SUBJECT TO LEGAL ACTION AS PUBLIC NUISANCES. KITITAS COUNTY HAS ADOPTED RIGHT TO FARM PROVISIONS CONTAINED IN SECTION 17.74 OF THE KITITAS COUNTY ZONING CODE.
10. KITITAS COUNTY RELIES ON ITS RECORD THAT A SUPPLY OF POTABLE WATER EXISTS. THE APPROVAL OF THIS DIVISION OF LAND INCLUDES NO GUARANTEE OR ASSURANCE THAT THERE IS A LEGAL RIGHT TO WITHDRAW GROUNDWATER WITHIN THE LAND DIVISION.
11. KITITAS COUNTY WILL NOT ACCEPT PRIVATE ROADS FOR MAINTENANCE AS PUBLIC STREETS OR ROADS UNTIL SUCH STREETS OR ROADS ARE BROUGHT INTO CONFORMANCE WITH CURRENT COUNTY ROAD STANDARDS. THIS REQUIREMENT WILL INCLUDE THE HARD SURFACE PAVING OF ANY STREET OR ROAD SURFACED ORIGINALLY WITH GRAVEL.
12. ENTIRE PRIVATE ROAD SHALL BE INSPECTED AND CERTIFIED BY A LICENSED ENGINEER IN THE STATE OF WASHINGTON SPECIFYING THAT THE ROAD MEETS KITITAS COUNTY ROAD STANDARDS AS ADOPTED SEPTEMBER 6, 2005, PRIOR TO THE ISSUANCE OF A BUILDING PERMIT. ANY FUTURE SUBDIVISION OR LAND USE ACTION WILL BE REVIEWED UNDER THE MOST CURRENT ROAD STANDARDS.
13. IF IN THE FUTURE IT IS DETERMINED BY KITITAS COUNTY (OR THE CITY OF KITITAS IN THE EVENT THE PROPERTY IS ANNEXED) THAT THE ROADS IN THIS PLAT SHOULD BE DEDICATED TO THE PUBLIC, THE LOT OWNERS WILL DEDICATE SAID ROADS AND NOT OBJECT OR OPPOSE PARTICIPATION IN AN L.I.D. ASSESSMENT FOR ANY ROAD IMPROVEMENTS NECESSARY FOR SUCH DEDICATION.
14. ALL DEVELOPMENT MUST COMPLY WITH INTERNATIONAL FIRE CODE.
15. ALL FOUR LOTS OF THE BUSHKA AG SHORT PLAT SP-07-68 SHALL SHARE A SINGLE GROUND WATER WITHDRAWAL OF NO MORE THAN 5,000 GALLONS PER DAY. NO MORE THAN 1/2 ACRE OF LAWN AND GARDEN SHALL BE IRRIGATED FROM GROUND WATER WITHDRAWAL.
16. CONSTRUCTION OF ANY PRIVATE ROAD TO PUBLIC ROAD STANDARDS DOES NOT GUARANTEE ACCEPTANCE ON COUNTY ROAD SYSTEM.

ORIGINAL PARCEL DESCRIPTION

PARCEL 8 OF THAT CERTAIN SURVEY AS RECORDED OCTOBER 5, 2005 IN BOOK 31 OF SURVEYS, PAGES 208 AND 209, UNDER AUDITOR'S FILE NO. 200510050010, RECORDS OF KITITAS COUNTY, WASHINGTON; BEING A PORTION OF THE WEST HALF OF SECTION 2, TOWNSHIP 17 NORTH, RANGE 19 EAST, W.M., IN THE COUNTY OF KITITAS, STATE OF WASHINGTON.

DEDICATION

KNOW ALL MEN BY THESE PRESENT THAT BUSHKA AG, LLC, A WASHINGTON LIMITED LIABILITY COMPANY, THE UNDERSIGNED OWNER OF THE HEREIN DESCRIBED REAL PROPERTY, DOES HEREBY DECLARE, SUBDIVIDE AND PLAT AS HEREIN DESCRIBED.

### FINDINGS OF FACT

#### Bushka Ag Short Plat

#### File Number SP-07-68

Pursuant to RCW 58.17.195, the Kittitas County Community Development Services Department formally establishes the following Findings of Fact:

1. The Bushka Ag Short Plat (SP 07-68) has satisfied all current subdivision and zoning requirements. This short plat has been reviewed and approved in conformance with the Kittitas County Subdivision (Title 16) and Zoning (Title 17) Codes.
2. The applicant has demonstrated to the satisfaction of the County Environmental Health Director the availability of potable water supplies.
3. The applicant has demonstrated that sewage disposal will be provided by individual septic systems.
4. The applicant has demonstrated to the County Public Works Department that the access provisions are in the interest of public safety and general welfare.
5. A statement indicating the County's intent to approve this short plat, together with a reduced photocopy depicting the lot configurations and proposed acreage was mailed to known adjacent property owners and parties of record on February 13, 2008.
6. Kittitas County Community Development Services Department completed a Critical Areas Review. No critical areas were identified on this Short Plat.
7. The property lies within the boundaries of the Cascade Irrigation District. The property owner shall adhere to the general requirements of the Cascade Irrigation District.

Administratively approved short plats must be recorded with the County Auditor and shall not be deemed approved until officially filed.

Approved

This 1st Day of August, 2008

END OF SCHEDULE A

(SCHEDULE B)

File No. 01040007

Guarantee Number: 48 0035 72030 6676

Subject to the matters shown below under Exceptions, which Exceptions are not necessarily shown in the order of their priority.

**EXCEPTIONS:**

1. Taxes or assessments which are not shown as existing liens by the records of any taxing authority that levies taxes or assessments on real property or by the public records.
2. Unpatented mining claims; reservations or exceptions in the United States Patents or in Acts authorizing the issuance thereof; water rights, claims or title to water.
3. Title to any property beyond the lines of the real property expressly described herein, or title to streets, roads, avenues, lanes, ways or waterways on which such real property abuts, or the right to maintain therein vaults, tunnels, ramps, or any other structure or improvement; or any rights or easements therein unless such property, rights or easements are expressly and specifically set forth in said description.
4. Assessments, maintenance and operating provisions of the Cascade Irrigation District as set forth in Resolution Numbers 01-2006 and 02-2006 recorded February 8, 2006 under Auditor's File Nos. 200602080001 and 200602080002.
5. Possibility of unpaid assessments levied by the Kittitas Reclamation District, notice of which is given by an amendatory contract recorded in Book 82 of Deeds, page 69, under Kittitas County Auditor's File No. 208267, no search having been made therefore.

To obtain assessment information, please contact the Kittitas Reclamation District: 509-925-6158.

6. Amendatory Contract, governing reclamation and irrigation matters;  
Parties : The United States of America and the Kittitas Reclamation District  
Dated : January 20, 1949  
Recorded : May 25, 1949, in Volume 82 of Deeds, page 69  
Auditor's File No. : 208267  
Affects : Said premises and other lands within the said irrigation district. Said contract governs construction, charges, protection of water rights, irrigation rights, obligations, responsibilities and all related matters.
7. Pendency of Yakima County Superior Court Cause No. 77-2-01484-5, State of Washington, Department of Ecology, Plaintiff, vs. James J. Acquavella, et al, Defendants; notice of which is given by Lis Pendens recorded on October 14, 1977, in Volume 90, page 589, under Kittitas County recording number 417302, and supplemental notice of Lis Pendens recorded June 4, 1980, in Volume 131, page 63, under Auditor's File No. 442263; being an action for the determination of the rights to divert, withdraw, or otherwise make use of the surface waters of the Yakima River Drainage Basin, in accordance with the provisions of Chapters 90.03 and 90.44 Revised Code of Washington. (Attorney for Plaintiff: Charles B. Roe, Jr., Senior Assistant Attorney General)
8. Matters disclosed and/or delineated on that certain Survey recorded November 18, 1974, in Book 1 of Surveys, Page 53, under Auditor's File No. 393703, as follows:
  - a) Location of fencelines in relation to perimeter boundaries

(SCHEDULE B)

File No. 01040007

Guarantee Number: 48 0035 72030 6676

9. Matters disclosed and/or delineated on that certain Survey recorded June 20, 2001, in Book 26 of Surveys, page 99, under Auditor's File No. 200106200028, as follows:
- a) Location of fence lines in relation to perimeter boundaries;
10. Matters disclosed and/or delineated on that certain survey recorded October 5, 2005 in Book 31 of Surveys, Pages 208 and 209, under Auditor's File No. 200510050010, as follows:
- a. 60' Easement "Q" affecting portion of Parcel 8, including 55' radius cul-de-sac;
- b. Location of fence lines in relation to perimeter boundaries;
- c. Notes contained thereon.
11. Easement, and the terms and conditions thereof, affecting a portion of said premises and for the purposes hereinafter stated, as conveyed by instrument recorded on December 27, 2006, under Kittitas County Auditor's File No. 200612270039.
- In favor of : Puget Sound Energy, Inc., a Washington corporation
- For : One or more utility systems for transmission, distribution and sale of electricity
- Affects : A strip of land 10' in width across all lots, being parallel to and coincident with the streets and road rights-of-way
12. Declaration of Non-Exclusive Easement and Road Maintenance Agreement, and the terms and conditions thereof, executed by and between the parties herein named:
- Between : J&D Transactions, Inc., a Washington corporation; MDJ Development, Inc., a Washington corporation; School Heights, LLC, a Washington limited liability company; Chason Farms, LLC, a Washington limited liability company; and Bushka AG, LLC, a Washington limited liability company

### RE: Bushka Ag Short Plat (SP-07-68)

Dear Mr. Cruse:

The Kittitas County Community Development Services Department has determined that the Bushka Ag Short Plat (SP-07-68) is a complete application and hereby grants **conditional preliminary approval** subject to the following conditions:

1. Both sheets of the final mylars shall reflect short plat number SP-07-68 and an accurate legal description shall be shown on the face of the final plat.
2. Full year's taxes must be paid for 2008 on all tax parcel numbers per requirement of the Kittitas County Treasure's Office.
3. The following plat notes shall be recorded on the final mylar drawings:
  - All development must comply with International Fire Code.
  - The subject property is within or near existing agricultural or other natural resource areas on which a variety of activities may occur that are not compatible with residential development for certain periods of varying duration. Agricultural or other natural resource activities performance in accordance with county, state and federal laws are not subject to legal action as public nuisances. Kittitas County has adopted the right to farm provisions contained in Section 17.74 of the Kittitas County Zoning Code.
  - All four lots of the Bushka Ag Short Plat SP-07-68 shall share a single ground water withdrawal of no more than 5,000 gallons per day. No more than ½ acre of lawn and garden shall be irrigated.
  - "Kittitas County will not accept private roads for maintenance as public streets or roads until such streets or roads are brought into conformance with current County Road Standards. This requirement will include the hard surface paving of any street or road surfaced originally with gravel." (Please see attached comments from Kittitas County Department of Public Works)
  - If in the future it is determined by Kittitas County (or the City of Kittitas in the event the property is annexed) that the roads in this plat should be dedicated to the public, the lot owners will dedicate said roads and not object or oppose participation in an LID assessment for any road improvements necessary for such dedication.
  - Construction of any private road to public road standards does not guarantee acceptance on board system.
4. Withdrawals of groundwater on the subject property are subject to the rules and regulations adopted and administered by the Washington State Department of Ecology. This includes the use of water for irrigation.
5. Property owners may be required to demonstrate by metering or other means compliance with the single project withdrawal limitation of 5,000 gallons to be shared between the four lots.

DARRYL PIERCY, DIRECTOR

ALLISON KIMBALL, ASSISTANT DIRECTOR

COMMUNITY PLANNING • BUILDING INSPECTION • PLAN REVIEW • ADMINISTRATION • PERMIT SERVICES • CODE ENFORCEMENT • FIRE INVESTIGATION

6. Per Kittitas County Environmental Health, soil logs need to be performed and proof of water availability is needed. Evidence of both shall be provided to Community Development Services prior to final approval.
7. The addresses shall be clearly visible from both directions at the County Road for all properties.
8. The fire department access road needs to be capable of supporting 75,000 lbs in all weather, by 20' wide, provide 13'6" vertical clearance and provide for adequate turn-around for fire department apparatus.
9. This property is within the Cascade Irrigation District boundaries. Proof that all Cascade Irrigation District General Guidelines have been met for all newly created lots shall be provided to Community Development Services prior to final approval.
10. The following conditions from Kittitas County Department of Public Works shall be conditions of approval:

Private Road Certification: Private roads serving any of the lots within this development shall be inspected and certified by a licensed professional engineer for conformance with current Kittitas County Road Standards, 9/6/05 edition. Kittitas County Public Works shall require this road certification to be completed prior to the issuance of a building permit for any of the structures within the proposed plat.

Easement AFN: The easement south of lot 8D was not included in the easement document recorded under AFN 200705010047. The easement appears to be established by this short plat.

Private Road Improvements: Access from the cul-de-sac to Fairview Road shall be constructed to meet or exceed the conditions of a High-Density Private Road and serve no more than 40 tax parcels. See current Kittitas County Road Standards, 9/6/05 edition.

- a. Access easements shall be a minimum of 60' wide. The roadway shall have a minimum width of 22', with 1' shoulders, for a total width of 24'.
- b. Minimum centerline radius shall be 60'.
- c. Surface requirement BST/ACP.
- d. Maximum grade is 12%.
- e. Stopping sight distance, reference AASHTO.
- f. Entering sight distance, reference AASHTO.
- g. Maintenance of driveway approaches shall be the responsibility of the owner whose property they serve. The County will not maintain accesses.
- h. Any further subdivision or lots to be served by proposed access may result in further access requirements.
- i. All roads located within this development or roads that provide access to this development shall be constructed to current county road standards unless any other maintenance agreements, forest service road easements or state easements require higher road standards. The higher of the road standards shall apply.
- j. All easements shall provide for AASHTO radius at the intersection with a county road.
- k. A paved apron shall be constructed at the intersection of the proposed private intersection and the county road right-of-way.

Cul-de-Sac: A cul-de-sac turn-around having an outside right-of-way easement diameter of at least 110 feet shall be constructed at the closed end of all dead-end roads serving 3 or more lots. The driving surface shall be at least 96 feet in diameter. Cul-de-sacs must also conform to the requirements specified by the 2006 International Fire Code. Contact the Fire Marshal regarding any additional cul-de-sac requirements.

Lot 8A and 8B Access: Access to Lot 8A and 8B shall be from the 20' private access easement.

Joint-Use Driveway: A joint-use access shall serve no more than two tax parcels. See Kittitas County Road Standards, 9/6/05 edition.

- a. Access easements shall be a minimum of 20' wide. The roadway width shall have a minimum width of 12'.
- b. The surface requirement is for a minimum gravel surface depth of 6".
- c. Maintenance of driveway approaches shall be the responsibility of the owner whose property they serve. The County will not maintain accesses.
- d. Any further subdivision or lots to be served by proposed access may result in further access requirements.

Single-Use Driveway: A single-use access shall serve no more than one lot. See Kittitas County Road Standards, 9/6/05 edition.

- a. The roadway shall be a minimum of 8' wide with gravel surface.
- b. Maintenance of driveway approaches shall be the responsibility of the owner whose property they serve. The County will not maintain accesses.
- c. Any further subdivision or lots to be served by proposed access may result in further access requirements.

Plat Approvals: All plats must show the acceptance signature of the County Engineer. The acceptance block shall be as follows (per KCC 16.24.170):

EXAMINED AND APPROVED  
This \_\_\_\_ day of \_\_\_\_, A.D., 20\_\_.  
\_\_\_\_\_  
Kittitas County Engineer

Private Road Maintenance Agreement: The applicant shall meet all applicable conditions of any pre-established or required Private Road Maintenance Agreements.

Lot Closure: It is the responsibility of the Professional Licensed Surveyor (PLS) to ensure the lot closures are correct and accurate.

Access Permit: An approved access permit shall be required from the Department of Public Works prior to creating any new driveway access or performing work within the county road right of way.

Addressing: Contact the Kittitas County Rural Addressing Coordinator at (509) 962-7523 to obtain addresses prior to obtaining a building permit. A parcel cannot receive a building permit or utilities until such parcel is identified with a 911 address.

Fire Protection: Contact the Kittitas County Fire Marshal regarding any additional access requirements for Emergency Response.

Mailbox Placement: The U.S. Postal Service requires that private roads with 6 or more residences install USPS approved Cluster Box Units (CBUs) at a safe location at the mouth of the private road. Contact your local Post Office for location and additional design requirements before beginning construction.

Current Kittitas County Road Standards, as adopted 9/6/05.

## Chapter 12 – PRIVATE ROADS

### 12.12.010 General

Private roads shall meet the following conditions:

1. Private roads shall meet the minimum access requirements of the International Fire Code as adopted by the County, and

2. Shall be designed and constructed in conformance with AASHTO Guidelines for Geometric Design of Very Low-Volume Local Roads (ADT < 400) 2001, as now exists or hereafter amended, and
3. Shall be inspected and certified by a licensed professional engineer for conformance with the above referenced standards. In the alternative, an applicant may request the private roadway to be inspected and subject to the approval of the Public Works Director. If certification by the public Works Director/County Engineer is desired, submission of road plans and necessary testing documentation that confirms compliance with Kittitas County Road Standards is required, and services will be performed on a reimbursable basis, and
4. Permanently established by an easement recorded with the Kittitas County Auditor or right-of-way, providing legal access to each affected lot, dwelling unit, or business, and
5. Will not result in land locking of existing or proposed parcels, and
6. Maintained by the developer or legally responsible owner or homeowners' association or other legal entity made up of all benefited property owners, under the provisions of an acceptable and recorded "Private Road Maintenance Agreement", and
7. Clearly described on the face of the plat, short plat, or other development authorization and clearly signed at street location as a private street or road, for the maintenance of which Kittitas County is not responsible and a disclosure statement of the same is filed with the County Auditor.

Approval of the Bushka Ag Short Plat may be appealed to the Kittitas County Board of Commissioners upon request of any aggrieved party within 10 working days, and shall accordingly be eligible for final administrative approval after April 25, 2008. Administratively approved short plats must be recorded with the County Auditor and shall not be deemed approved until so filed. If you have any questions, please do not hesitate to contact our office.

**You may appeal this determination pursuant to KCC 15A.07.010 by submitting specific factual objections and a fee of \$500 to the Kittitas County Board of Commissioners (205 W. 5<sup>th</sup>, Room 108) by April 25, 2008 at 5:00p.m.**

Sincerely,

Trudie Pettit

RE: Bushka Ag Short Plat (SP-07-68)

Dear Mr. Elkins,

Thank you for the opportunity to comment on the above referenced project. The file indicates soil logs are needed and water availability needs to be provided. I recommend that a Group B water system be used to serve the four proposed lots. The water system plan and design will need to be submitted and approved and the water system installed and approved prior to final plat approval.

Thank you for your time.

Sincerely,

  
Holly Duncan

Mike Elkins  
Kittitas County Community Development Services  
411 N. Ruby Street, Suite 2  
Ellensburg, WA 98926

Dear Mr. Elkins:

Thank you for the opportunity to comment on the Bushka Ag short plat of approximately 8 acres into 4 lots, proposed by Bushka Ag, LLC [SP 07-69]. We have reviewed the application and have the following comment.

### Air Quality

If the proponent is planning to remove trees or debris from the property, they need to verify that the property is located outside the Urban Growth Area (UGA), where residential and land clearing burning is prohibited. They can do so by contacting their county planning department. If the project location is outside the UGA, they need to obtain a burn permit from Ecology if they are planning to burn trees or debris from the property. Only natural unprocessed vegetation may be burned in an outdoor fire. If the project location is inside the UGA, they must use an alternative to burning.

Due to the dry conditions of our region, we are reminding people that extra efforts are needed to control blowing dust and dirt. The proponent should create a site-specific Fugitive Dust Control Plan (FDCP) before starting this project, and then follow the plan for construction of the project and duration of activity on property. The FDCP should include, but is not limited to, the following components:

- Identify all potential fugitive dust emission points.
- Assign dust control methods.
- Determine the frequency of application
- Record all dust control activities.
- Train personnel in the FDCP.
- Shut down during windy conditions.
- Follow the FDCP and monitor dust control efforts.

Washington Administrative Code (WAC) 173-400-040 requires that reasonable precautions be taken to prevent dust from leaving the site. Also, dust is prohibited from interfering unreasonably with the use and enjoyment of property, causing health impacts, or damaging property or business.

If you have any questions concerning the Air Quality comments, or would like assistance in creating a FDCP, please contact Maureen McCormick at 509-454-7660.

### **Water Resources**

Proposal numbers SP-07-68 (Bushka Ag Short Plat), SP-07-69 (Kittitas Heights Short Plat), SP-07-76 (Fairview Acres Short Plat), and SP-07-99 (School Heights Short Plat) appear to be a single project. The common ownership, adjacency of the parcels, and common road(s) involved; point in the direction of a single project. Therefore, the wells proposed to serve all lots located in all subject short plats, in combination, would be limited to a withdrawal of 5,000 gallons per day or for the irrigation of up to one-half acre of lawn and garden.

The above four proposals, in combination, will exceed the groundwater exemption of 5,000 gallons per day or for the irrigation of up to one-half acre of lawn and garden. This project (Proposal Nos. SP-07-68, SP-07-69, SP-07-76, and SP-07-99) will therefore **require a water right**.

Any ground water withdrawals in excess of 5,000 gallons per day or for the irrigation of more than ½ acre of lawn or noncommercial garden will require a permit from the Department of Ecology.

Chapter 173-150 WAC provides for the protection of existing rights against impairment, i.e. interruption or interference in the availability of water. If water supply in your area becomes limited your use could be curtailed by those with senior water rights.

The Attorney General's Opinion, (AGO 1997 No. 6) regarding the status of exempt ground water withdrawals, states that a group of wells drilled by the same person or group of persons, at or about the same time, in the same area, for the same purpose or project should be considered a single withdrawal and would not be exempt from the permitting requirement contained in RCW 90.44.050, if the total amount withdrawn for domestic use exceeds 5,000 gallons per day or if a total of more than .5 acre of lawn and garden are irrigated.

The Attorney General's opinion suggests that caution should be used in finding developments to be exempt from needing a water right permit if the possibility exists that the development of the project will result in the ultimate withdrawal of water in excess of 5,000 gallons per day or the irrigation of more than .5 acre of lawn and garden.

Mr. Elkins  
February 27, 2008  
Page 3 of 3

Furthermore, **Ecology believes these proposals should be evaluated as the same combined project.** According to WAC 197-11-060(b) proposals that relate to each other shall be evaluated in the same environmental document.

If you have any questions concerning the Water Resources comments, please contact Brean Zimmerman at (509) 454-7647.

### **Water Quality**

#### Project Greater-Than 1 Acre with Potential to Discharge Off-Site

An NPDES Construction Stormwater General Permit from the Washington State Department of Ecology is required if there is a potential for stormwater discharge from a construction site with more than one acre of disturbed ground. This permit requires that the SEPA checklist fully disclose anticipated activities including building, road construction and utility placements. Obtaining a permit is a minimum of a 38 day process and may take up to 60 days if the original SEPA does not disclose all proposed activities.

The permit requires that Stormwater Pollution Prevention Plan (Erosion Sediment Control Plan) is prepared and implemented for all permitted construction sites. These control measures must be able to prevent soil from being carried into surface water (this includes storm drains) by stormwater runoff. Permit coverage and erosion control measures must be in place prior to any clearing, grading or construction.

More information on the stormwater program may be found on Ecology's stormwater website at: <http://www.ecy.wa.gov/programs/wq/stormwater/construction/> . Please submit an application or contact Bryan Neet at the Dept. of Ecology, (509) 575-2808, with questions about this permit.

In addition, Water Quality views SP 07-99, SP 07-76, SP 07-69, and SP 07-68 as one whole project and not four individual short plats.

If you have any questions concerning the Water Quality comments, please contact Bryan Neet at (509) 575-2808.

Sincerely,

Gwen Clear  
Environmental Review Coordinator  
Central Regional Office  
(509) 575-2012

Mike

Fax: (509) 962-7052

May 4, 2007

Cruse & Associates  
217 E Fourth St  
Ellensburg, WA 98926

Dear Mr. Cruse

We have received the proposed Bushka Ag Short Plat, located in Section 2, Township 17N, Range 19E, off of Fairview Road. We have also received the \$376.88 plat submission fee (receipt #050882).

For plat approval both sewage and water availability must be satisfactorily addressed. Refer to WAC 246-272-20501 and 246-272-09501 for septic and well setbacks.

For sewage disposal you have two options:

1. **PUBLIC UTILITY SEWER**

Submit a signed letter of agreement between the responsible public utility official and the developer/owner or other documentation that provides proof of connection to public sewer.

2. **ON SITE SEWAGE**

Soil logs will need to be scheduled and dug at a mutually convenient time. The developer/owner shall provide soil logs as per Chapter 246-272 WAC or as amended. The information obtained will be recorded and placed in the plat file for future reference. The information obtained from these soil logs is for plat approval purposes only and does not constitute a site evaluation in conjunction with the issuance of a permit for any specific lot.

Prior to receiving final approval for subdivisions (short and long plats) in Kittitas County, applicants shall be required to show the adequacy of potable water supplies proof of potable water supply can be demonstrated four ways:

1. **PUBLIC UTILITY WATER SUPPLY APPLICANTS** – shall submit a signed letter of agreement with the responsible public utility official and the developer/owner, granting delivery of potable water for the entire development.
2. **GROUP "A" PUBLIC WELL** – if you have an existing well and a Department of Ecology issued "water right" for potable usage of the well, Washington State Department of Health (DOH) is the regulatory authority for approving Group A systems. We require written verification that DOH has approved the system prior to final plat approval (see contact information below). If you have not secured a water right for potable use you must contact the Washington State Department of

Ecology (Central Region Office) located in Yakima, Washington to begin the process of obtaining a water right. Their contact number is: (509) 575-2800.

3. GROUP "B" PUBLIC WELLS – As of January 11, 2007, Washington State Department of Health is the regulatory authority for approving Group B Water Systems in Kittitas County. The process for approval includes a source site inspection to approve the location of the proposed well or if the well exists to ensure that it meets the criteria for approval; drilling of the well and/or ensure that the well is located within the subdivision boundaries; completion of the well infrastructure, the workbook and all related documentation including testing and satisfactory results. After all of the aforementioned information is submitted, reviewed, and approved by Washington State DOH, final issuance of the well ID number completes the requirement.

Washington State Department of Health  
1500 W. 4<sup>th</sup>, Suite 305  
Spokane, WA 99204  
(509) 456-2453  
ATTN: Tom Justus, Regional Engineer

4. INDIVIDUAL WELLS – the submittal of well logs or a hydrogeological report with documentation/evidence to support the claim regarding adequate availability of groundwater for the proposed number of potable water wells. This report shall be submitted by a Professional Engineer who practices in the field of hydrology or by a licensed Hydrogeologist.

All applicants for subdivision (short and long plats) utilizing wells shall have a note placed on the face of the final mylars that states:

*"Kittitas County relies on its record that a supply of potable water exists. The approval of this division of land includes no guarantee or assurance that there is a legal right to withdraw groundwater within the land division."*

Once we have received and reviewed complete information, we will notify Community Development Services through our Environmental Health Checklist that you have satisfactorily addressed health department requirements.

Sincerely,

Cathy Bambrick  
Kittitas County Environmental Health Manager

Bushka Ag

## KITTITAS COUNTY DEPARTMENT OF PUBLIC WORKS

### MEMORANDUM

TO: Mike Elkins, Community Development Services

FROM: Christina Wollman, Planner II

DATE: February 6, 2008 *CW*

SUBJECT: Bushka Ag Short Plat 07-68

Our department has reviewed the short plat application and has the following comments:

- X **“Conditional Preliminary Approval”** is recommended based on the information provided. See below for conditions of preliminary approval:
- “Additional Information Requested”. Prior to continuing the approval process for the submitted development, additional information is requested for analysis.

#### The following shall be conditions of preliminary approval:

1. Private Road Certification: Private roads serving any of the lots within this development shall be inspected and certified by a licensed professional engineer for conformance with current Kittitas County Road Standards, 9/6/05 edition. Kittitas County Public Works shall require this road certification to be completed prior to the issuance of a building permit for any of the structures within the proposed plat.
2. Easement AFN: The easement south of lot 8D was not included in the easement document recorded under AFN 200705010047. The easement appears to be established by this short plat.
3. Private Road Improvements: Access from the cul-de-sac to Fairview Road shall be constructed to meet or exceed the conditions of a High-Density Private Road and serve no more than 40 tax parcels. See current Kittitas County Road Standards, 9/6/05 edition.
  - a. Access easements shall be a minimum of 60' wide. The roadway shall have a minimum width of 22', with 1' shoulders, for a total width of 24'.
  - b. Minimum centerline radius shall be 60'.
  - c. Surface requirement BST/ACP.
  - d. Maximum grade is 12%.

Page 1 of 4

- e. Stopping site distance, reference AASHTO.
  - f. Entering site distance, reference AASHTO.
  - g. Maintenance of driveway approaches shall be the responsibility of the owner whose property they serve. The County will not maintain accesses.
  - h. Any further subdivision or lots to be served by proposed access may result in further access requirements.
  - i. All roads located within this development or roads that provide access to this development shall be constructed to current county road standards unless any other maintenance agreements, forest service road easements or state easements require higher road standards. The higher of the road standards shall apply.
  - j. All easements shall provide for AASHTO radius at the intersection with a county road.
  - k. A paved apron shall be constructed at the intersection of the proposed private intersection and the county road right-of-way.
4. Cul-de-Sac: A cul-de-sac turn-around having an outside right-of-way easement diameter of at least 110 feet shall be constructed at the closed end of all dead-end roads serving 3 or more lots. The driving surface shall be at least 96 feet in diameter. Cul-de-sacs must also conform to the requirements specified by the 2006 International Fire Code. Contact the Fire Marshal regarding any additional cul-de-sac requirements.
5. Lot 8A and 8B Access: Access to Lot 8A and 8B shall be from the 20' private access easement.

Joint-Use Driveway: A joint-use access shall serve no more than two tax parcels. See Kittitas County Road Standards, 9/6/05 edition.

- a. Access easements shall be a minimum of 20' wide. The roadway width shall have a minimum width of 12'.
- b. The surface requirement is for a minimum gravel surface depth of 6".
- c. Maintenance of driveway approaches shall be the responsibility of the owner whose property they serve. The County will not maintain accesses.
- d. Any further subdivision or lots to be served by proposed access may result in further access requirements.

Single-Use Driveway: A single-use access shall serve no more than one lot. See Kittitas County Road Standards, 9/6/05 edition.

- a. The roadway shall be a minimum of 8' wide with gravel surface.
- b. Maintenance of driveway approaches shall be the responsibility of the owner whose property they serve. The County will not maintain accesses.

- c. Any further subdivision or lots to be served by proposed access may result in further access requirements.
6. Plat Approvals: All plats must show the acceptance signature of the County Engineer. The acceptance block shall be as follows (per KCC 16.24.170):

EXAMINED AND APPROVED  
This \_\_\_\_ day of \_\_\_\_, A.D., 20\_\_.

---

Kittitas County Engineer
7. Private Road Maintenance Agreement: The applicant shall meet all applicable conditions of any pre-established or required Private Road Maintenance Agreements.
8. Lot Closure: It is the responsibility of the Professional Licensed Surveyor (PLS) to ensure the lot closures are correct and accurate.
9. Access Permit: An approved access permit shall be required from the Department of Public Works prior to creating any new driveway access or performing work within the county road right of way.
10. Addressing: Contact the Kittitas County Rural Addressing Coordinator at (509) 962-7523 to obtain addresses prior to obtaining a building permit. A parcel cannot receive a building permit or utilities until such parcel is identified with a 911 address.
11. Fire Protection: Contact the Kittitas County Fire Marshal regarding any additional access requirements for Emergency Response.
12. Mailbox Placement: The U.S. Postal Service requires that private roads with 6 or more residences install USPS approved Cluster Box Units (CBUs) at a safe location at the mouth of the private road. Contact your local Post Office for location and additional design requirements before beginning construction.

Current Kittitas County Road Standards, as adopted 9/6/05.

*Chapter 12 – PRIVATE ROADS*

12.12.010 General

Private roads shall meet the following conditions:

1. Private roads shall meet the minimum access requirements of the International Fire Code as adopted by the County, and
2. Shall be designed and constructed in conformance with AASHTO Guidelines for Geometric Design of Very Low-Volume Local Roads (ADT < 400) 2001, as now exists or hereafter amended, and
3. Shall be inspected and certified by a licensed professional engineer for conformance with the above referenced standards. In the alternative, an applicant may request the

private roadway to be inspected and subject to the approval of the Public Works Director. If certification by the public Works Director/County Engineer is desired, submission of road plans and necessary testing documentation that confirms compliance with Kittitas County Road Standards is required, and services will be performed on a reimbursable basis, and

4. Permanently established by an easement recorded with the Kittitas County Auditor or right-of-way, providing legal access to each affected lot, dwelling unit, or business, and
5. Will not result in land locking of existing or proposed parcels, and
6. Maintained by the developer or legally responsible owner or homeowners' association or other legal entity made up of all benefited property owners, under the provisions of an acceptable and recorded "Private Road Maintenance Agreement", and
7. Clearly described on the face of the plat, short plat, or other development authorization and clearly signed at street location as a private street or road, for the maintenance of which Kittitas County is not responsible and a disclosure statement of the same is filed with the County Auditor, and
8. The following note shall be placed on the face of the plat, short plat, or other development authorization:

"Kittitas County will not accept private roads for maintenance as public streets or roads until such streets or roads are brought into conformance with current County Road Standards. This requirement will include the hard surface paving of any street or road surfaced originally with gravel."

Please let me know if you have any questions or need further information.

**Publish:** February 29, 2008 (Daily Record)

**Subject:** Bushka Ag Short Plat, File Number SP-07-68

Chuck Cruse of Cruse & Associates, authorized agent for Bushka Ag LLC, landowner, submitted an application for a 4 lot Short Plat pursuant to Kittitas County Code 16.32 on approximately 8 acres of land that is zoned Rural Residential, located immediately northwest of the City of Kittitas, 1/3 mile north of Kittitas Highway, 800 feet east of Fairview Road, Ellensburg, WA, 98926, located in a portion of Section 2, T17N, R19E, WM, in Kittitas County. Map Number 17-19-02000-0036.

Please find enclosed the Short Plat application for the above referenced project and a vicinity map. The submitted application and related filed documents may be examined by the public at the Kittitas County Community Development Services office at 411 N. Ruby, Suite 2, Ellensburg, WA. 98926. Phone (509)962-7506.

Please send comments regarding the application and potential adverse environmental impacts by February 29, 2008 @5:00pm to Kittitas County Community Development Services, 411 N. Ruby, Suite 2, Ellensburg, WA., 98926, Attention: Mike Elkins, Staff Planner.

Conditional preliminary approval may be granted based on timely comments received prior to February 29, 2008.

## **Notice of Application Bushka Ag Short Plat (SP-07-68)**

Pursuant to RCW 36.70B, notice is hereby given that Kittitas County did, on January 14, 2008, receive a complete application for the Bushka Ag Short Plat (SP-07-68) from Chuck Cruse of Cruse & Associates, authorized agent for Bushka Ag LLC, landowner. The Bushka Ag Short Plat is an application for a 4 lot Short Plat pursuant to Kittitas County Code 16.32 on approximately 8 acres of land that is zoned Rural Residential, located immediately northwest of the City of Kittitas, 1/3 mile north of Kittitas Highway, 800 feet east of Fairview Road, Ellensburg, WA, 98926, located in a portion of Section 2, T17N, R19E, WM, in Kittitas County. Map Number 17-19-02000-0036.

Any person desiring to express their views or to be notified of the action taken on this application should contact Kittitas County Community Development Services (CDS). The submitted application and related filed documents may be examined by the public at the Community Development Services Department office between 8:00 A.M. and 5:00 P.M. at 411 N. Ruby Street, Suite 2, Ellensburg, WA 98926, or on the CDS website at <http://www.co.kittitas.wa.us/cds/current/>. Phone (509) 962-7506. Staff Planner: Mike Elkins

Written comments from the public may be submitted to Kittitas County CDS no later than February 29, 2008.

Date: February 13, 2008

Re: **Bushka AG Short Plat: SP-07-68**

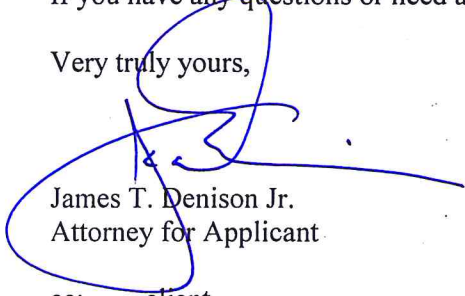

Dear Mike:

I understand that the above short plat application will be processed without the requirement of a SEPA checklist addressing the cumulative impacts of shared infrastructure and common access via Fairview Road. This decision was based upon the street outline provided to your office. We appreciate your accommodation in this regard and to that end would suggest the following plat note:

*If in the future it is determined by Kittitas County (or the City of Kittitas in the event the property is annexed) that the roads in this plat should be dedicated to the public, the lot owners will dedicate said roads and not object or oppose participation in an LID assessment for any road improvements necessary for such dedication.*

If you have any questions or need any additional information from me, please let me know.

Very truly yours,

  
James T. Denison Jr.  
Attorney for Applicant

RE: Chason Farms Short Plat, File Number SP-07-65  
Bushka AG Short Plat, File Number SP-07-68  
Kittitas Heights Short Plat, File Number SP-07-69  
Fairview Acres Short Plat, File Number SP-07-76

Dear Bushka AG LLC,,

Based upon review of the Chason Farms 4 lot Short Plat (File Number SP-07-65), the Bushka AG 4 lot Short Plat (File Number SP-07-68), the Kittitas Heights 4 lot Short Plat (File Number SP-07-69), and the Fairview Acres 4 lot Short Plat (File Number SP-07-76), Community Development Services will require the projects to be reviewed simultaneously under the State Environmental Policy Act (SEPA). Environmental review is required to assess the cumulative impacts of the four contiguous short plats. The four short plats as proposed will result in a total of 16 residential lots. Kittitas County Code Chapter 15.04.090 establishes exempt levels for minor new construction under Washington Administrative Code (WAC) 197-11-800(1) (b) base on local conditions. For residential dwelling units in WAC 197-11-800(1) (c) (i): the threshold is up to nine dwelling units.

Please complete a SEPA Environmental Checklist for the **Bushka AG Short Plat** and for the **Fairview Acres Short Plat** and return the completed checklist to Community Development Services at 411 North Ruby Street, Ellensburg, WA 98926, Attention: Mike Elkins, Staff Planner. Upon receipt of the revised environmental checklist, review of the four referenced Short Plat applications will continue. Kittitas County Code Chapter 15A.030.040 states that an application shall expire after 180 calendar days unless the requested supplemental information is submitted in complete form.

If you have any questions regarding this matter, please feel free to contact me at (509) 933-8274.

Sincerely,

Mike Elkins  
Staff Planner

## Preliminary Plat Drawing Requirements:

### General Information (KCC 16.12.020)

- ☒ Submitted on 18"x24" sheet
- ☒ Names of proposed subdivision, all sheets
- ☒ Location of subdivision by section, township, range, county, and state, all sheets
- ☒ Legal Description of Land contained within subdivision
- ☒ Name(s), and address of the owner(s), subdivider(s), surveyor, engineer, and date of survey
- ☒ Registered Land Surveyor: Name, address, phone and Seal of the registered land surveyor who made, or under whose supervision was made, a survey of the proposed plat (License still valid?)
- ☒ Scale (1"=200', or greater) , sheet one
- ☒ North Arrow, sheet one
- ☒ Date, sheet one
- ☒ Vicinity map showing the boundary lines of all adjacent subdivisions, roads, streets, rivers, streams, canals, or any other information that will assist the planning commission in considering the plat.
- ☒ Proposed platted boundary lines, lot and road dimensions, and gross acreage, sheet one.
- ☒ A statement regarding the contemplated sewage disposal, potable water supply, and drainage improvements for the proposed subdivision.
- ☒ Names and addresses of all abutting property owners.
- ☒ All access easements.
- ☒ All irrigation ditch easements or historical ditch locations. (Ord. 2005-31, 2005)
- ☒ Approval Blocks: To include County Engineer's (or Director of Public Works), CDS Director, Health Department, Auditor (including any recording information regarding restrictions, covenants, maintenance agreements, etc.), Treasurer's, Assessor's only applies to Long Plats.

### Existing Conditions (KCC 16.12.030)

- ☒ Contour lines at intervals of one foot or less for slopes less than three percent, five feet for slopes three to thirty percent, and ten feet for slopes over thirty percent.
- ☒ Location, width and type of all roads, streets, alleys, easements, and rights-of-way on and adjacent to the proposed subdivision.
- ☒ Location of all existing ditches apparent or of record, marshes, areas subject to flooding, and the direction of flow of all water courses, as required by KCC 17A.05.015.
- ☒ Existing uses of the property, including the location and nature of all acreage, fences and/or other structures.
- ☐ Any additional information deemed necessary by Kittitas County.
- ☒ The total acreage and number of lots included within the subdivision shall be indicated on the face of the plat.

### Other

- ☐ Review Final Plat Requirements Checklist to determine other requirements/conditions
- ☐ Wellhead protection areas (17A.08.020). ALL non-community wells must be placed a minimum of 50 feet from property lines.
- ☒ Right to Farm Ordinance applies to ALL permits on or within 1000' of land zoned Ag-3, Ag-20, Commercial Agriculture, or Forest and Range
- ☐ **AIRPORT OVERLAY ZONE** Subdivision. When any division of land including short plats, plats, cluster subdivision, and planned unit developments, occur on any land within the airport overlay zoning district safety zones 1 through 6, a note located on the first page of the plat, shall be recorded with the county auditor as follows:

*This property is located within the Airport Overlay Zoning District in which a variety of airport aviation activities occur. Such airport aviation activities may impact the use of your property.*

- ☒ Does the parcel contain lands less than 3 acres? If so, include memo from Environmental Health regarding that current lot configurations are not guaranteed until septic and water approvals.

- ☒ By Kittitas County Ordinance, only sprinkler or drip irrigation is allowed for lots 3 acres or less in size.

### For Short Plats and Plats containing BPA easements, start requiring this plat note:

Plat note: "Bonneville Power Administration (BPA) imposes certain conditions on the use of properties encumbered by high voltage transmission line right-of-ways. There can be no structures built on BPA right-of-ways. Proposed uses of the right-of-way must be reviewed, approved and permitted by BPA prior to installation. BPA Real Estate Field Services can be contacted at 1-800-836-6619."

*The BPA layers are on the Critical Area, remember they have around a 100' – 200' easement around these wires. We will hopefully get this easement layer soon, but for now we have the line locations.*

*When BPA lines are identified in proximity to a proposed structure, a note on the critical area should inform the applicant and should include the phone number of the BPA real estate service member (Michelle Doiron, Realty Specialist 1800-836-6619). There is an application they have fill out for any work within a BPA easement they can get from her. So we won't hold up critical areas for this, but should make sure applicants are aware of the BPA issues on the property by putting clearly in the "note section" or any other way you can think of making sure applicants are aware of the possible easement issue.*

**NOTES:**

- ☐ Review Final Plat Requirements Checklist to determine other requirements/conditions
- ☐ The Final plat shall be drawn on polyester film in a neat and legible manner.
- ☐ Drawn on 18" x 24" sized paper.
- ☐ The Perimeter of the subdivision shall be depicted with heavier lines than appear elsewhere on the plat.
- ☐ A Marginal line shall be drawn completely around each sheet, leaving an entirely blank margin on one inches on the sides.
- ☐ The scale shall be 1" = 200', or greater, unless otherwise approved by the director.
- ☐ All lettering shall be printed with permanent ink.
- ☐ Each sheet of the final plat shall contain the subdivisions name at the top of the sheet in large letters followed underneath with the section, township, range, county and state. The space for recording the receiving number is in the upper right hand corner, sheet numbers at the bottom of the sheets.
- ☐ It shall show all courses and distances necessary to re-stake any portion of said plat.
- ☐ Required monuments shall be shown together with a legend of monuments on the face of each plat sheet. (Ord. 2005-31, 2005)
