RE: Transmittal of Documents – Star View Short Plat (SP-08-00039)

Dear Ms. Watanabe:

Enclosed are the comments I have received regarding the Star View Short Plat:

August 4, 2008	Kittitas County Public Health-Standard Letter
September 11, 2008	Department of Public Works
September 17, 2008	Department of Ecology
September 23, 2008	Confederated Tribes and Bands of Yakama Nation
September 29, 2008	Kittitas County Public Health

Please review all comments and notify me of any questions. This project will be placed on hold and a Sepa Threshold determination will not be made until after the traffic impact analysis study has been completed and documentation has been submitted into our office. Upon receipt of the completed traffic impact analysis study, we will continue to process your short plat application.

Sincerely,
