Mr. Watson, It has been brought to our attention that there are some dealings going on in regards to plai -n/beautiful short plat ST - 10- 00012. We own lot 3 and it has come to our attention that there are concerns on the reiteration of lot 10A, known as lot 18. When we purchased our lot we were advised that nothing would be built, no equipment to be stored, therefore preserving the value of our property. Thank you for your attention to this matter.

Signed, Robin and Susan Peterson
