Hi Bradley,

Attached is our response to the Prophet Elijah Church (CU-24-00008) comments we received regarding our SEPA. We have also attached an email from Austin Nickerson from City of Ellensburg Public Works and Utilities Department regarding fire flow capacity of the nearby fire hydrant, as well as a site plan that includes the proximity measurement of the fire hydrant to our property. If necessary, we are able to bring in a physical copy of the site map as well.

Please let me know if you have any questions. Thanks so much!

Best,

Laura Hinkle
