Mr. Torrance-Smith:

When I clicked on the “Public” link, I received a message that the files could not be found.

However, I, as a representative of the Department of Health (DOH) Office of Drinking Water (ODW) have the following question:

How is water being provided to the 40 homes – from the City of Ellensburg existing water system or from a new water system?

Please let me know the answer to this question and/or provide an updated link.

Thanks,

**Russell E. Mau, PhD, PE**
