Bradley,

Bonneville Power Administration's (BPA) has had the opportunity to review an application for the SEPA Checklist located at Cole Creek Bridge.

In researching our records, we have found that this proposal will not directly impact BPA facilities over 5 miles Northeast of the subject properties. BPA does not have any objections to the approval of this request currently.

If you have any questions or need additional information, please feel free to contact Jamie Murray at (406) 751-7820, or by email at [JCMurray@bpa.gov](mailto:JCMurray@bpa.gov).

Thank you for the opportunity to review this application.

Hello Bradley,

The Snoqualmie Tribe [Tribe] is a federally recognized sovereign Indian Tribe. We were signatory to the Treaty of Point Elliott of 1855; we reserved certain rights and privileges and ceded certain lands to the United States. As a signatory to the Treaty of Point Elliot, the Tribe specifically reserved among other things, the right to fish at usual and accustomed areas and the “privilege of hunting and gathering roots and berries on open and unclaimed lands” off-reservation throughout the modern-day state of Washington.

Thank you for the opportunity to review and comment. Based on the information provided and our understanding of the project and its APE we have no substantive comments to offer at this time. However, please be aware that if the scope of the project or the parameters for defining the APE change, we reserve the right to modify our current position.

Respectfully,
