Hello Kittitas County,

This is a variance request addendum/ clarification submitted by Brooks Tuttle. The property line offset reduction is for my property located at 10 Cascade View Dr. in Ronald WA, 98940. My East property line set back is 25' when it became a new front yard according to code. I am seeking a reduction of this setback to 8'. This is my "new" front yard that abuts Blue Agate Lane. I am seeking to put in a new 18' by 44' RV garage in this location.

Thank you, Brooks Tuttle.
