Zach,

Bonneville Power Administration's (BPA) has had the opportunity to review an application for the setback variance application located at 51 Blue Agate Lane, Ronald WA.

In researching our records, we have found that this proposal will not directly impact BPA facilities over 2.5 miles south west of the subject properties. BPA does not have any objections to the approval of this request currently.

If you have any questions or need additional information, please feel free to contact Jamie Murray at (406) 751-7820, or by email at JCMurray@bpa.gov.

Thank you for the opportunity to review this application.
