**RE: Access to Columbia Plateau Wind Energy Facility, Case No. CP-13-00001**

Dear Mr. Mitchell

On August 9, 2013 I sent you a letter indicating that we had issue with the inadequacy of information provided regarding legal access that you possessed to the property for consideration for rezone and Comprehensive Plan amendment for which your party has applied. I requested that you provide this information by 5:00 pm yesterday, August 14, 2013 in order for us to meet public open house and notice deadlines. I have not received this information.

Therefore, because of inadequate information necessary to process this application, I am removing this application from the 2013 Docket, and moving it to the 2014 Docket for consideration. I will be informing the County Commissioners of this action, and the project will not be heard or discussed at the August 28, 2013 Open House scheduled to be held at 5:30 in the County Auditorium. No additional fees will be required for transfer of this item to 2014 Docket.

I apologize for this inconvenience, but it is essential that we receive this information before it is processed any further.

If you have any questions of me please call. Thank you.

Sincerely,

Robert "Doc" Hansen  
Planning Official
