Subject: Adoption of Project Specific FEIS  
Vantage to Pomona Heights Transmission Line (CU-18-00001)

All interested parties:

An FEIS determination was issued for the Vantage to Pomona Heights Transmission Line by the U.S. Department of Interior and the Bureau of Land Management in October 2016. Per WAC 197-11-600(4) Kittitas County can adopt the project specific existing FEIS document for all necessary permits (Conditional Use Permit CU-18-00001).

Kittitas County has determined no further environmental review is required and hereby adopts the Vantage to Pomona Heights Transmission Line FEIS.

An electronic copy of the FEIS is available in the County project file and on the CDS website.
