TO: All Staff

DATE: April 21, 2021
SUBJECT: County Survey Review of CU-21-00003 Ryegrass LPL Expansion

Comments:

Please note the following survey comments are in reference to the site map only. All other aspects of the application are outside the realm of survey review.

1. The site map includes the Kittitas County Public Works title block. As public works is not involved in this application, I believe this should be Kittitas County Solid Waste.
2. In 2018, DNR introduced new topographic map standards, under WAC:332-130-145. Please insure all the elements addressed in this new WAC have been addressed.
