Re: Baker SEPA Checklist (SE-15-00009)

Dear Community Development Services:

I represent Laurie Bowles, the owner of Kittitas County Parcel ID 867835, Map #22-11-09011-0018, also known as 658 Yellowstone Rd., Snoqualmie Pass, WA.

I have been provided with that certain letter from your office dated September 16, 2015 entitled "Determination of Nonsignificance". Ms. Bowles and I are aware of the bridge to be constructed on the Eastern most portion of her property by Christine Baker and Jon Lewis, the owner of Parcel ID 857835, Map #22-11-09011-0017.

Please be advised that there is no objection to proceeding with this project. We are also in the process of preparing and recording a formal easement for the Baker-Lewis access. For further information you may refer to the survey with has been previously provided.

Very Truly Yours

Jeffrey S Laws

Hi Lindsey,

Here is a letter from Laurie Bowles attorney that we talked about a couple of days ago. He is also helping us to finish up the easement (the bridge is completely on our easement portion). I hope this letter suffices. We just needed to move forward with the SEPA and all now before the whole easement was done because we only have about a 2 week window of time left to get the cement footings poured before it starts to freeze.

Thanks again, please call if there are any issues.

Chris Baker
