Mr. and Mrs. Broughton,

Greetings. You may be receiving a letter stating that your application is incomplete. Please ignore it. The Parcel Combination was assigned to someone else and he did not realize that I have the site plan. I will be working on it.

Thanks,

Mr. Broughton,

I do not think I need anything more right now, but I have yet to receive the revised materials. I will check with other county personell and see if they have received them. I will let you know.

Thanks,

Hi Dusty,

Just confirming you don't need anything further on our BLA?

To Mrs. And Mr. Broughton,

Thank you for submitting the application for a boundary line adjustment. Upon review of the application materials, it appears that we may be able to save you some money. From the site plan and materials, I see that you are planning on eliminating one of the boundary lines and combining the parcels. The process for a Parcel Combination generally runs more smoothly, and costs \$ 740.00, rather than \$1,180.00. Before we process the application and payment, I would like to provide the opportunity to process the adjustment as a Parcel Combination. The application for a Parcel combination is attached. Please let me know.

Thank you,
