Dan,

I have archived this letter in the project folder, and it does not seem like they are asking for more time.

Thanks,

Dusty

Greeting. Attached are the updates and revisions for PUD and associated plat, PD-16-00001 and LP-17-00004. This project has been renamed Commons at Dry Creek. Could you provide any comments on the revised proposal by August 18th? This should provide enough time to issue the threshold determination, allow time for a possible appeal, and schedule it for a hearing at the end of September. If you need additional background info not in the attachments, follow the links below.
