Candidate not listed? Mark the box next to the Write-in option and write in your choice.

Change your mind? Draw a line through the response area **and** your choice, you may then make another selection. *Please **do not** use white-out.*

"If a primary election was held for an office, the two candidates who received the most votes in the Primary advanced to the General Election. Each candidate for partisan office may state a political party that the candidate prefers. A candidate's preference does not imply that the candidate is nominated or endorsed by the party, or that the party approves of or associates with that candidate."
