

KITTITAS COUNTY BOARD OF EQUALIZATION

Kittitas County Commissioner's Office – Courthouse Room 108 – 205 W Fifth AVE - Ellensburg, WA 98926

Dear Property Owner:

In response to your interest in filing an appeal regarding the Assessor's valuation of your property in Kittitas County, I am enclosing the following:

- 1) *Information Sheet* – Your Right to An Appeal
- 2) *Instruction Sheet* – Petition to the County Board of Equalization
- 3) *Petition Form* – Taxpayer Petition to the Kittitas County Board of Equalization for Review of Real Property Valuation Determination (**Note: Each parcel of property needs a separate Petition Form**)
- 4) **Ruling WACS**
- 5) *Informational Brochure* from Department of Revenue – “Appealing Your Property Tax to the County Board of Equalization”

The first step in appealing your property assessment should be to visit the Assessor's Office and review your appraisal, verify that square footage, number of the bedrooms, type of heat, etc., are correct. You may ask the appraiser to review sale prices of similar properties. If an error has been made, the appraiser may make a change in value.

If you are unable to complete the first step, or cannot reach an agreement with the appraiser, you may appeal to the Kittitas County Board of Equalization by filing a Taxpayer Petition.

To file a petition you must submit petitions to:

Kittitas County Board of Equalization
Kittitas County Commissioner's Office
Courthouse Room 108
205 West Fifth Ave.
Ellensburg, WA 98926

Petitions must be filed according to the deadlines listed below:

- The appeal must be postmarked by July 1st of the assessment year – OR--
- **Within 30 days of the mailing of the Notice of Value** from the Assessor, **WHICHEVER IS LATER.** (If the last day to file falls on a weekend or holiday, the deadline for filing is the *next business day*. A petition filed by mail shall be postmarked *no later than the filing deadline.*)

If filing after July 1st, a copy of the determination (or notice of value) must be attached to the petition, as stated in paragraph one of the Taxpayer Petition (DOR form-REV 64 0075).

Your petition will NOT be accepted as complete without a copy of the determination notice if filed after July 1st.

Upon receipt of your properly completed and timely filed petition and documentary evidence, a date and time will be scheduled for the Board of Equalization to hear your appeal. You will be notified in advance of the schedule date by mail.

If you plan to submit documentary evidence, such as appraisals, maps, pictures, letters, etc., which support your estimate of value, that evidence must be submitted to the Board no fewer than **twenty-one (21) business days, excluding holidays, before** the scheduled hearing date. You must provide ONE copy to the Board of Equalization and ONE copy to the Assessor's Office.

The Board of Equalization must presume that the Assessor's determination of value for your property is correct. To contest the value, the burden of proof is *on the taxpayer*. According to *WAC 458-14-046* and *RCW 84.40.0301* the taxpayer must provide clear, cogent and convincing evidence that shows the valuation is erroneous. To protect your appeal rights for the current assessment year, you must file a protective appeal with the Board of Equalization within the deadlines listed above.

KITTITAS COUNTY BOARD OF EQUALIZATION
INFORMATION SHEET

Your Right to An Appeal

The owner or person responsible for payment of taxes on any property may petition the County Board of Equalization for a change in the assessed valuation placed upon such property by the County Assessor. The petition must be filed with the Board on or before July 1st of the assessment year, or within thirty (30) days after the date an assessment or notice of value has been mailed, whichever is later. Appeals must be made on forms approved by the Department of Revenue (RCW 84.40.038). Appeal forms are available from the Kittitas County Board of Equalization Office, 205 W 5th Ave Room 108, Ellensburg, WA 98926.

County Board of Equalization

The Washington State Legislature has given the Board of Equalization the responsibility to determine whether the assessed value of your property represents 100% of the property's fair market value. Boards of Equalization are quasi-judicial bodies and consider questions of valuation/equalization of property assessments; not levy rates or the overall amount of taxes due. Washington tax levy rates are established by statute and the voters in your taxing district. Assessment appeals heard in the current year will be for taxes payable the following year.

The Board will consider the value of both the land and improvements (buildings, etc.) in determining the final value for the property and will require clear, cogent and convincing documentary evidence from you that the value assigned by the Assessor is erroneous.

Board members are appointed by the County Legislative Authority based on their knowledge of Kittitas County and appraisal techniques. They are not holders of elective office or employees of any elected officials.

Instructions for Petition to the County Board of Equalization for Review of Real Property Valuation Determination

All information in boxes 1 – 5 must be completed (if applicable). **The petition must be signed and dated.** Without this information, your Petition for Review **will not be considered complete.**

1. Your account or parcel number appears on your determination notice, value change notice, and tax statement. If you are appealing multiple parcels, you must submit separate petitions for each parcel.
2. Self-explanatory.
3. You may appeal the **assessed** value of the property. The assessed value is based on the true and fair value of the property. Check the box if you are requesting the information the assessor used to value the property.

Appeal of Assessed Value

To successfully appeal the Assessed Value of the property, you must show by clear, cogent, and convincing evidence the value established by the assessor is incorrect. In Section 4, you must list the reasons why you believe the Assessed Value is incorrect.

4. List the specific reasons for the appeal. Statements that simply indicate the assessor's valuation is too high or the amount of tax is excessive are not sufficient (WAC 458-14-056). The reasons must specifically indicate why you believe the assessed value does not represent the true and fair value of the property.

Note any other issues you believe are relevant to the value of your property. If your appeal concerns a comparison of your assessment relative to assessments of other properties, the Board may determine if all of the properties are assessed at their true and fair value. The Board is limited to determining the market value of property. Therefore, any adjustment to the assessed value of your property or other properties must be based on evidence of the true and fair value of the property.

5. Indicate if you are acting under a written Power of Attorney. This section need not be completed if the agent is an attorney-at-law.

Sign and date the petition.

- 6.–10. Self-explanatory.

Additional information to support your estimate of value may be provided either with this petition or prior to twenty-one business days before the hearing. You must also provide a copy of any additional information to the assessor.

The petition must be filed or postmarked by

July 1 of the current assessment year or 30 days after the date of mailing of the change of value or other determination notice (up to 60 days in those counties that the Legislative Authority has extended the deadline). If filing after July 1, a copy of the determination notice must be attached to this petition.

One original signed petition and one copy (including all attachments) should be filed with the County Board of Equalization in the county where the property is located.

Petitions—Time limits—Waiver of filing deadline for good cause.

(1) **Introduction.** This rule explains how the owner or person responsible for the payment of property taxes may petition the board of equalization for a change in the assessed valuation of their property as described in RCW 84.40.038.

(a) Definitions. The definitions in WAC 458-14-005 apply to this rule.

(b) Other rules to reference. Readers may want to refer to other rules for additional information, including:

(i) WAC 458-14-015 Jurisdiction of county boards of equalization.

(ii) WAC 458-14-066 Requests for valuation information—Duty to exchange documentary information—Time limits.

(iii) WAC 458-14-076 Hearings on petitions—Withdrawal.

(2) **Filing petition - Time limits.** The method for appealing a county assessor's determination as to the valuation of property or to any other types of county assessor determinations is by submitting a properly completed and timely filed taxpayer petition to the county board of equalization.

A taxpayer's petition for review of the assessed valuation of property by the assessor or for review of any of the types of appeals listed in WAC 458-14-015 must be filed in duplicate with the board. Petition forms are available from the clerk of the board and from the assessor's office.

The deadline for filing the petition with the board must be the later of:

(a) July 1st of the year of assessment or determination;

(b) Thirty days, or up to sixty days if a longer time period was established by the county legislative authority, from the date the assessment, change of value notice, or other notice was mailed; or

(c) Thirty days, or up to sixty days if a longer time period was established by the county legislative authority, from the date the assessor electronically:

(i) Transmitted the assessment, change of value notice, or other notice; or

(ii) Notified the owner or person responsible for payment of taxes that the assessment, change of value notice, or other notice was available to be accessed by the owner or other person.

(3) **Late filing of petition - Waiver of filing deadline.** No late filing of a petition will be allowed except as provided in this subsection. The board may waive the filing deadline if the petition is filed within a reasonable time after the filing deadline and the petitioner shows good cause, as defined in this subsection, for the late filing. However, the board must waive the filing deadline for the circumstance described under (g) of this subsection if the petition is filed within a reasonable time after the deadline.

A petition that is filed after the deadline without a showing of good cause must be dismissed unless, after the taxpayer is notified by the board that the petition will be dismissed because of the late filing, the taxpayer promptly shows good cause for the late filing. The board must decide a taxpayer's claim of good cause without holding a public hearing on the claim and must promptly notify the taxpayer of the decision, in writing. The board's decision regarding a waiver of the filing deadline is final and not appealable to the state board of tax

appeals. Good cause may be shown by documentation of one or more of the following events or circumstances:

(a) The taxpayer was unable to file the petition by the filing deadline because of a death or serious illness of the taxpayer or of a member of the taxpayer's immediate family occurring at or shortly before the time for filing. For purposes of this subsection, the term "immediate family" includes, but is not limited to, a grandparent, parent, brother, sister, spouse, domestic partner, child, grandchild, or domestic partner's child or grandchild.

(b) The taxpayer was unable to file the petition by the filing deadline because of the occurrence of all of the following:

(i) The taxpayer was absent from his or her home or from the address where the assessment notice or change of value notice is normally received by the taxpayer. If the notice is normally mailed by the assessor to a mortgagee or other agent of the taxpayer, the taxpayer must show that the mortgagee or other agent was required, pursuant to written instructions from the taxpayer, to promptly transmit the notice and failed to do so;

(ii) The taxpayer was absent (as described in (b)(i) of this subsection) for more than fifteen of the days allowed in subsection (2) of this rule prior to the filing deadline; and

(iii) The filing deadline is after July 1st of the assessment year.

(c) The taxpayer was unable to file the petition by the filing deadline because the taxpayer reasonably relied upon incorrect, ambiguous, or misleading written advice as to the proper filing requirements by either a board member or board staff, the assessor or assessor's staff, or the property tax advisor designated under RCW **84.48.140**, or his or her staff.

(d) The taxpayer was unable to file the petition by the filing deadline because of a natural disaster such as a flood or earthquake occurring at or shortly before the time for filing.

(e) The taxpayer was unable to file the petition by the filing deadline because of a delay or loss related to the delivery of the petition by the postal service. The taxpayer must be able to provide documentation from the postal service of the delay or loss.

(f) The taxpayer is a business and was unable to file the petition by the filing deadline because the person employed by the business, responsible for dealing with property taxes, was unavailable due to illness or unavoidable absence.

(g) The taxpayer was not sent a change of value notice under RCW **84.40.045** for the current assessment year and can demonstrate the property value did not change from the previous assessment year.

(4) **Mailing of petition.** If a petition is filed by mail it must be postmarked no later than the filing deadline. If the filing deadline falls on a Saturday, Sunday, or holiday, the petition must be filed on or postmarked no later than the next business day.

(5) **Completed petition.** A petition is properly completed when all relevant questions on the form provided or approved by the department have been answered and the answers contain sufficient information or statements to apprise the board and the assessor of the reasons for the appeal.

A petition that merely states the assessor's valuation is too high or the property taxes are excessive, or similar types of statements, is not properly completed and will not be considered by the board. If, at the time of filing the petition, the taxpayer does not have all the documentary evidence available which he or she intends to present at the hearing, the petition will be considered properly completed for purposes of preserving the taxpayer's right of appeal, if it is otherwise fully and properly filled out. However, any comparable sales, valuation evidence, or other documentary evidence not submitted at the time the petition is filed must be

provided by the taxpayer to the assessor and the board at least twenty-one business days, excluding legal holidays, prior to the board hearing.

A copy of the completed petition must be provided to the assessor by the clerk of the board. Any petition not fully and properly completed cannot be considered by the board and a notice of the board's rejection of the petition must be promptly mailed to the taxpayer. WAC **458-14-066** provides an explanation of the availability, use and exchange of valuation and other documentary information prior to the hearing before the board.

(6) **Pending appeal.** If the taxpayer has an appeal pending with the board, the state board of tax appeals, or with a court of law, and the assessor notifies the taxpayer of a change in property valuation, then the taxpayer is required to file a timely petition with the board in order to preserve the right to appeal the change in valuation.

Example. A taxpayer appeals a decision of the board to the board of tax appeals regarding a value for the 2013 assessment year. The appeal is pending when the assessor issues a change in value notice for the 2014 assessment year, so the taxpayer must still file a timely petition appealing the valuation for the 2014 assessment year in order to preserve his or her right to appeal the 2014 assessed value.

Appealing Your Property Assessment to the County Board of Equalization

MAY 2018

If you disagree with the assessor's valuation of your property, you have the right to appeal. This publication provides an overview of the board of equalization's property assessment appeal process.

Property Valuation Methods

State law requires assessors to value all taxable property at **100 percent of its true and fair market value in money** according to the highest and best use of the property. Market value is the amount of money that a willing and unobligated buyer is willing to pay a willing and unobligated seller.

The county assessor values real property using one or more acceptable appraisal methods:

- Market or sales comparison
- Cost approach
- Income capitalization approach for income producing property
- Combination of the three approaches above

Settling Disagreements on Property Value

You can contact your county assessor's office to review your valuation whenever you have questions about your property value. Property owners can often settle disagreements at this level without continuing the appeal process. However, you still need to preserve your appeal rights by timely filing your appeal form with the *Board of Equalization*.

Assessor Determines Assessed Value

The county assessor determines the assessed value of your property. A *Change of Value Notice* is sent to you when the assessed value of your property changes. The notice indicates the assessed value of your land and improvements. Real property must be reassessed on a yearly basis with physical inspections at least every six years.

Appraised vs. Assessed Value

Appraised value is the true and fair market value or the amount of money a buyer is willing to pay a seller for a property.

Assessed value is the value on which your property taxes are based. This amount may be less than the appraised value if you are receiving any type of exemption or reduction.

Filing an Appeal

To file an appeal against an assessor's property valuation, you must complete a Taxpayer Petition for Review of *Property Valuation Determination* form in the county where the property is located. A letter or phone call will not be accepted as a substitute for the appeal form.

Only the taxpayer or entity whose name and address shows on the assessment roll, or their duly authorized agent, or the property owner may file an appeal.

Appeal Forms

Appeal forms are available at:

- Department of Revenue's website dor.wa.gov.
- Local county board of equalization office where property is located.
- Local county assessor's office.

Filing Deadline

The deadline for filing an appeal is the latter of:

- July 1 of the assessment year; or
- Within 30 days* of when the *Change of Value Notice* was issued by the assessor's office.

For example: The *Change of Value Notice* you received was postmarked July 20. The deadline for filing an appeal would be August 19.

If you mail your appeal form, it must be postmarked by midnight of the deadline. You may hand deliver the appeal form to your county board of equalization and have it date stamped.

* Certain counties extend the filing deadline to 60 days. Please check with your county board of equalization for your filing deadline.

Exception to Filing Deadline

Following are reasons why the filing deadline may be waived:

- Death or serious illness of the taxpayer or member of the taxpayer's immediate family.
- The taxpayer was absent from his or her home where the change of value notice is mailed.
- The taxpayer relied on incorrect written advise from a board member, board staff, assessor, assessor staff or property tax advisor.
- The loss or delay of the petition by the postal service.
- The taxpayer is a business, and the employee responsible for dealing with property taxes was unavailable due to an illness or unavoidable absence.
- Boards of equalization must waive the filing deadline when the assessor did not issue a revaluation notice and the assessment did not change compared to the prior assessment year.

The request to waive the filing deadline must be made within a reasonable amount of time of the deadline. The board's decision to waive the filing deadline is not appealable.

The following are reasons why the board may be reconvened:

- If you did not receive a change of value notice at least 15 days prior to the filing deadline, and you can show proof that the value was changed for the current assessment year.*

- The assessor submits an affidavit to the board stating that he or she was unaware of facts that were discoverable at the time of appraisal and the lack of that information impacted the assessment.*
- The property was purchased after July 1, but on or before December 31 of the assessment year and the sale price was less than 90% of the assessed value, and the sale was between a willing and unobligated buyer and seller (an arm's-length transaction).*
- You received a change of value notice for property that existed but was not included in your previous assessment (omitted property).**
- You may request the board to reconvene if all of the following conditions apply:
 - A timely appeal was pending before the board of equalization when the property was revalued for an intervening year and the assessed value did not change;
 - No appeal was filed for the intervening year; and
 - The reconvening request is filed within 30 days of the board of equalizations decision.
- The property was overvalued by at least 100 percent.***

*Appeal must be submitted by April 30 following the year being appealed.

**Appeal must be submitted within 3 years of the discovery of the omission.

***Appeal must be submitted within 3 years of the board's regular convened session.

Note: The county assessor is required to issue the *Change of Value Notice* to the taxpayer whose name and address appears on the assessment roll. The taxpayer is responsible for:

- Notifying the county assessor of any address change.
- Requesting copies of the notices from the assessor, mortgage or lending company.

Information Required in Appeal

An appeal form must include specific market reasons why you believe the assessor's valuation is incorrect. Statements that the assessor's valuation is too high or property taxes are excessive are not sufficient. You must be specific as to why the assessed value does not reflect market value.

Examples might include:

- Recent appraisal of your property.
- Excessive deterioration of your property.
- Sales of similar properties reflecting a lower value for your property.

Comparing the assessment, percentage of increase or other uniformity issue alone is not sufficient to win your case. You must provide market evidence demonstrating the comparison properties are valued at 100% true & fair market value, while your parcel is not valued at 100% true and fair market value.

Your appeal must include the following information:

- Parcel number of the property you are appealing.
- County assessor's determination of value.
- Your estimate of value.
- Comparable sales or other supporting evidence you wish to include.
- Indication if you intend to submit additional evidence prior to the hearing.

Information must be provided at least twenty-one business days prior to your hearing date with the board of equalization and assessor.

Listing Comparable Sales

You can get comparable sales information from records at the county assessor's office, realtors or title companies. You should use property sales that are most comparable to your property, and which sold closest to the assessment or appraisal of your property. The best sales comparisons are sales of your property or similar properties in your area or neighborhood. For each comparable sale you use, make sure to include the parcel or account number, property address, date of sale, sale price and comparable property characteristics.

Comparable characteristics to consider are:

Land

- Location (sales in the same subdivision or neighborhood)
- Unit of comparison (lot size, acreage, square feet and front feet)
- Desirable features such as a view or waterfront
- Sewer/septic systems
- Undesirable features such as an access problem
- Wetlands
- Water systems
- Zoning

Improvements

- Type of construction (wood frame, brick or other)
- Square footage of total finished living area
- Year built
- Number of stories
- Improvement type and grade
- Building condition
- Number of bedrooms and bathrooms
- Fireplace
- Garage/carport

Other Supporting Evidence

- A map showing the location of your property and comparable sales properties
- Appraisals prepared by others
- Documentation by others concerning problems
- Written estimates of the cost to repair problems
- Photographs

True and Fair Value

The county board of equalization determines if all properties are assessed at their true and fair value. Equalization issues brought before the county board of equalization may result in changes in value of all properties involved.

Hearing Process

The clerk of the board of equalization will notify you about the date, location and time of your scheduled hearing.

The hearing is an informal review that allows property owners to represent themselves without an attorney. Both you and the assessor will give oral testimony and written evidence to support the value. Both parties may rebut evidence provided to the board of equalization.

Keep in mind the assessor, by law, is presumed to be correct. The burden of proof is on you, the taxpayer, to show that the assessed value is not correct. You must present clear and convincing evidence to support your estimate of market value.

Board of Equalization Decision

Boards of Equalization must issue a written decision within 45 days of the hearing.

Appealing the County Board's Decision

You may appeal the board of equalization's decision to the state Board of Tax Appeals (BTA). Your appeal must be filed with the BTA within 30 calendar days of the postmarked date of the board of equalization's decision. You may also pay your taxes under protest and petition the Superior Court for a refund by filing a lawsuit (Revised Code of Washington (RCW) Chapter 84.68).

Frequently Asked Questions

Q. If I don't file my appeal by the deadline, will the county board of equalization consider my appeal?

A. There are limited reasons the board would reconvene to consider an appeal if the appeal was not filed by the deadline.

For example: A new purchaser bought property after July 1 and before December 31 of the assessment year, and the sale price was less than 90 percent of the assessed value. The deadline for requesting the board to reconvene is April 30 following the assessment year. Or, in the event of 100 percent over valuation, a board may reconvene up to three years after their regular session. Contact your county board of equalization for more information.

Q. When should I pay my property taxes, before or after the hearing?

A. You should pay your property taxes when they are due. After your hearing, when the board of equalization has made their decision, the treasurer will notify you of any adjustment to your taxes.
