IV. FOR TEXT AMENDMENTS

Identify the sections of the Comprehensive Plan and Zoning Ordinance that you are proposing to change and provide the proposed wording (attach additional pages if necessary)

V. FOR ALL AMENDMENTS

A. Why is the amendment needed and being proposed?

This amendment is being proposed to allow a larger area contiguous and adjacent to the City of Kittitas and also near the Kittitas I-90 interchange to be used for commercial development.

B. How does the proposed amendment consistent with the County-Wide Planning Policies for Kittitas County?

The "Vision Statement" on page 1 of the "Kittitas County Countywide Planning Policies" states the need to "...foster economic opportunity...". The City of Kittitas needs commercial development. By annexing this area into the UGA it would allow the City of Kittitas an area to have commercial growth in close proximity to the I-90 interchange and thus benefit the whole community.

C. How is the proposed amendment consistent with the Kittitas County Comprehensive Plan?

SAME AS B. ABOVE

D. How have conditions changed that warrant a comprehensive plan amendment?

The City of Kittitas is experiencing increased residential growth and needs the additional revenue that can be provided from commercial activities.
