Deferred Finding

Non-moving Infraction

Moving Infraction

**STATEMENT OF DEFENDANT:**

I understand the court will defer the entry of a finding of **committed** in this case for a period of one year. I further understand this infraction shall be dismissed at the end of the one-year period, provided I do not commit\* any traffic infractions or criminal traffic offenses during this one-year period, complete a traffic safety course within 90 days of the date of the Order, pay an administrative cost of \$175, and follow any other conditions of the court's Order. I understand the court will review my driving record and my Washington State criminal record at the end of the one year period and, if I have complied with the conditions set forth below, the court will dismiss this infraction. I understand that the court's record check may include a review of another court's "clerk docket notes" in order to determine if I have committed\* a traffic infraction or traffic crime. Should I fail to comply with any of the conditions set forth below, the court will find this infraction committed and will impose the entire penalty stated on the Notice of Infraction. Any administrative costs I have paid (or I owe) will not be applied as a credit towards the penalty imposed by the court. If any traffic infractions or criminal traffic offenses are pending at the end of the one-year period, the court will defer its review until the traffic infraction or criminal traffic offense has been resolved. I understand that any traffic infraction or criminal traffic offense charged within one year from the date of this Order will be deemed committed\* unless the charge filed against me is resolved by an unconditional dismissal, a "not guilty" verdict, or a finding of "not committed."

I hereby waive any right I have to a speedy hearing, including the right I have under IRLJ 2.6. I understand that I am entitled to only one Deferral of Infraction for a **moving traffic violation** in a seven-year period and one Deferral of Infraction for a **non-moving traffic violation** in a seven-year period.

**Finding & Order of the Court:**

**The court finds the above-described infraction(s) committed. It is hereby ordered that the finding of committed is deferred for a period of one year from the date of this Order, on the following conditions:**

1. The defendant shall pay \$175 by \_\_\_\_\_ ( 120 days from the date of this order if no date is entered).
2. The defendant shall not commit\*any traffic infractions or criminal traffic offenses for a period of one year from the date of this Order. (\* "Commit" is defined as including any traffic infraction or criminal traffic offense resolved by a stay of proceedings, a stipulated order of continuance, or any other agreement which consists of a continuance with conditions, even if the ultimate disposition of the traffic infraction is a dismissal, amendment of charge, or finding of "not committed.")
3. The defendant shall notify the court in writing of any change of mailing address.
4. **The defendant shall complete a traffic safety course (at least four hours in length), and provide proof of attendance to the court within 90 days of the date of this Order.**

After completion of the one-year period, the court shall review the defendant's statewide criminal history (including a review of clerks' docket notes for any traffic infraction or traffic crime charged within the one-year period of deferral) and the defendant's Department of Licensing record to verify compliance with this order. **In the event this record check shows compliance with the conditions of this Order, the court shall dismiss the infraction. In the event the court finds that the defendant has failed to comply with any of the conditions of this Order, the infraction shall be found committed and the defendant shall pay, within sixty (60) days, the penalty amount stated on the Notice of Infraction. The defendant may request a hearing to contest the court's determination that he/she failed to comply with the terms of the deferred finding.**
