RE: Sales & Use Tax Public Facilities Application – County Public Facility Fund

Attention Potential Grant Applicant:

The Kittitas County Board of County Commissioners will entertain a Public Facility Fund grant funding proposal from the Council of Governments during first quarter 2021. Grant funding will be available January 1, 2021. Projects submitted can request funding for one (1) year or ask for funding over multiple years. If your project is over the amount available, and a qualifying project, multi-year funding may be available. The funding will be within the limitations set forth in Resolution #2000-49.

The Kittitas County Department of Public Works distributes grant applications and manages the Public Facilities fund. The Kittitas County Department of Public Works must receive your application by **5:00 p.m., on February 17, 2021**. Please review RCW 82.14.370 to determine if your project may be eligible for funding. The Public Works Department is attempting to identify as many potential applicants as possible for this year's funding cycle. The next grant application cycle will begin in April 2021 for 2022 grant award.

The fact that you received this letter does not imply that your organization has or may have an eligible project. Eligibility will be determined by the Conference of Governments. Applications are available upon request at the Public Works Department (509) 962-7523 or you can obtain an application off the County website at [www.co.kittitas.wa.us/public-works/administration](http://www.co.kittitas.wa.us/public-works/administration), go to the Public Works page, then Administration, Sales & Use Tax Application. Please provide as much information as possible in the application. No additional information will be accepted after the **February 17, 2021, at 5:00 p.m.** deadline.

If you have any questions on eligibility or the application, please do not hesitate to call the Public Works Department.

Sincerely,
