The Kittitas County Law and Justice Council is offering mini grants to organizations with community programs that support the law and justice system. Each year, approximately \$25,000.00 is ear marked from the one-tenth of 1 percent law and justice sales tax for this grant program. This can include equipment, materials, new programs and projects that support the goals of the Law and Justice Council and that benefit the public and law and justice community.

For this year's grant applications, the Law and Justice Council is promoting the following grant themes:

- Officer Safety
- Emergency Preparedness
- Innovative Youth Mentoring Programs

These themes are only suggestions for grant applications, and any application meeting the grant requirements will be considered.

Applicants **must complete all questions** on the form below (use "N/A" if the question doesn't apply to your project). Please attach any vendor estimates, training costs and proposed budget breakdown with total amount requested along with all equipment and supply costs that need to be considered for this grant.

(Examples of what Law and Justice grants do **not** pay for: Salaries, leases and/or rental costs, ongoing projects.)
