

**Request for Exemption from the "Television Tax"
Past and Current Years
Kittitas County**

RE: Parcel # _____

To: The Board of Kittitas County Television Improvement District #1

Would the TV Board consider this request for a CABLE subscriber exemption from the TV tax for the years (check the box(s) for applicable years):

2016 2017 2018 2019 2020 2021

=====

Would the TV Board consider this request for a SATELLITE subscriber exemption from the TV tax for the years (check the box(s) for applicable years):

2016 2017 2018 2019 2020 2021

Please note that 2014 was the first year the Satellite exemption was available. The 2012 and 2013 years will need to be paid even if you had Satellite during those years.

=====

There is no television set on the property (any device used EXCLUSIVELY as a monitor for internet streaming, Netflix, Hulu, etc, is not a television by this definition.)

Would the TV Board consider this request for a NO TELEVISION exemption from the TV tax for the years (check the box(s) for applicable years):

2016 2017 2018 2019 2020 2021

=====

I understand, granted exemptions are valid for one year and I must reapply for exemption each year. In compliance with State Law (RCW 36.95.100) an exemption form is included as part of the annually issued Television Tax statement.
