	7/1/26 - 9/30/26	10/1/2026 - 12/31/26	1/1/27 - 3/31/27	4/1/27 - 6/30/27
Establish outdoor education programs coordinator who will use our 80-acre site to promote physical activity and enhance mental well-being. Their role will be to develop programming at the elementary level to increase outdoor hands-on learning. In addition, they will support teachers in developing the skills necessary to increase activities that promote an active lifestyle (x-country skiing, alpine skiing, hiking, mountain biking) to increase outdoor learning experiences in all four schools. The coordinator will help conduct professional development to increase teacher and staff comfort with outdoor experiential learning techniques.	We have added the MS cycling program, and continue to gentrify our traditional PE program, and Elementary Specialist to be more outdoor pursuits focused.			

	7/1/26 - 9/30/26	10/1/2026 - 12/31/26	1/1/27 - 3/31/27	4/1/27 - 6/30/27
Update PE and health programs with new curriculum and training to enhance student engagement and physical health. Introduce more relevant programming and courses as well as field trip experiences. Behaviors are high post pandemic, and a portion of our focus in this category is to add additional hours of behavior specialist to assist with outdoor education in improving student behavior.	This year the enitre PE team will be reviewing curriculum and deciding on new resources for next year.			
Implement strategies to decrease cell phone usage by launching awareness campaigns, organizing structured offline activities, and providing equipment for device storage.	WE have fully implented, we are just monitoring and refining our approaches.			
Establish new after-school programs focused on prevention and wellness.	WE have a new e-sports team that was generated from student requests. We continue to broarden our outdoor ski club, which is our largets			

	7/1/26 - 9/30/26	10/1/2026 - 12/31/26	1/1/27 - 3/31/27	4/1/27 - 6/30/27
Provide training for staff to effectively implement and manage new strategies aimed at reducing mental health challenges and preventing substance abuse. One key aspect of this proposal is updating current District policy and professional development around substance abuse. We would use our Community Coalition team to use industry experts to update our current policy on drug, alcohol, and tobacco policies with training to reduce use, and updating supports for students with infractions.	This is on going work through our PBIS rewards system, and our focus on meeting all students where they are.			
Directly contracting for mental health, nursing, and substance abuse professionals to increase services in comprehensive mental health services, suicide prevention, immunization clinics, increased staff development on how to reduce substance abuse and support increasing efforts to reduce mental health barriers in schools.	We have contracted for full time MH counsleor.
