ANNEXATION POLICY

Kittitas County Fire District #2 must make the final decision on all annexations into the Fire District, taking into consideration fire protection of the best quality for the benefit of the largest number of taxpayers. When considering an annexation application, the Fire District cannot allow itself to be spread so thin that the quality of protection is reduced. The amount of tax revenue brought in by the annexation must pay for the increased activity and expense to the Fire District. No islands can be annexed into the District. All annexations into Fire District #2 must be accessed by county road. Additionally, it is the landowner's responsibility to provide safe year round access to their property for fire equipment. The Fire District assumes that by your petition to be annexed into the Fire District, that safe access to your property is maintained and that the property owner will hold Kittitas County Fire District #2 harmless from any losses, due to inadequate access to the property. Access to all annexed property shall comply with Appendix "D" of the current International Fire Code.
