WITNESS INTERVIEW REQUEST FORM

1. Our office will make reasonable efforts to schedule defense interviews with the State's witnesses as a courtesy only. Our willingness to attempt to schedule interviews is not a guarantee that an interview will be able to be scheduled, nor is it a guarantee of a successful interview.
2. Defense interviews fall outside the scope of CrR 4.7 and the State's PID obligations. By providing this form, the State is not agreeing that it is required to facilitate interviews. The purpose of this form is to assist staff and victim advocates in scheduling interviews in an efficient manner, and for the benefit of case victims and witnesses.
