Last Updated: 5/14/2025

2024 Vantage Highway Paving

Project Number: RC2299

Length: 4.6 miles

Basis for Project: Road paving

Construction: 2025

Project Description:

The Vantage Highway is a major east/west corridor in the Lower Kittitas Valley. Regular roadway maintenance improves roadway safety while maintaining reliable infrastructure. This project will grind and overlay asphalt on Vantage Highway within the existing pavement limits along with temporary and permanent pavement marking for repair, rehabilitation and preservation. This segment is the second phase of surface improvements.

Status: Construction started May 5th, 2025 and will continue through mid-July.

Traffic Impacts: Single lane closures.

Funding Sources:

STBG	\$2,129,056
Local Funds	\$382,280
Total:	\$2,511,336
