**COMMISSIONERS**

At 10:00 a.m. Chairman Jewell opened a Special Meeting to receive an update on the Courthouse Space Needs Assessment with Architects Rasmussen Triebelhorn (ART).

Kenn Triebelhorn, Principal with ART provided handouts for the Board to review. There was discussion over the materials provided; parking options; potential for lease space to commercial businesses; levels of the future Courthouse 2, 3, or 4; adding a cafeteria and/or a coffee stand and the possibilities of selling or demolishing other County properties and whether or not any could be used for parking that wouldn't have a high likelihood of selling.

The Board stressed the importance of getting the rough order of magnitude so they are given an opportunity to begin budgeting for the project.

Mr. Triebelhorn stated that a discussion with the City needs to be held regarding vacating all or some of West 6<sup>th</sup> Avenue, as well as rezoning.

The Board will meet with Ms. Johnson to discuss each Department's requests and then Departments that the Board felt required further discussion, an additional meeting would be set up. The Board needs to get feedback to ART within the next few weeks.
