Meeting was called to order at 1:30 P.M.

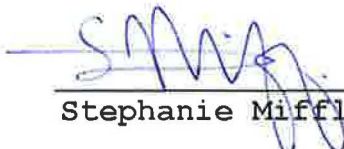

Building Staff Training Update

Mike Flory presented the upcoming staff training schedule for the building division of Community Development Service (CDS). Mike stated there will be no inspections or plan review services March 14th- 16th.

Other Business

Mike Flory stated there has been an issue regarding garages and wood stoves vs. gas stoves as a heat source and the requirements around each of those. Mike explained the building code requirements and stated there has been some email exchange between a customer and staff at CDS. Commissioner Jewell requested the code reference be sent to the Board and the item be put on the next study session to discuss.
