Each Commissioner was assigned three different Department Heads to meet with on a weekly basis. This was determined at a Special Meeting with the Board of County Commissioners held on June 18, 2009. Each Commissioner reviewed discussions held with their respective departments and exchanged details of those meetings. On January 3, 2011 the Board determined it would be beneficial to alternate Commissioners that will oversee the different Department Head's on an annual basis. They determined at the end of 2013 they would review the various committees they participate in and provide beneficial updates to the Board as needed during this time as well.
