REGULAR MEETING

DEPARTMENT HEAD

MAINTENANCE

Patti Johnson, Solid Waste/Maintenance Director/Project Manager presented the Board with examples of the County Decal as a follow up to the discussion recently brought forward by County Prosecutor and stated she was looking for direction since bylaw, the County has to have their vehicles marked. The Board directed Ms. Johnson to hold off on putting the decals on until the County re-branding has been completed. Commissioner Jewell stated that it would be wise if the County created a policy that states the removal of County decals and signage before vehicles are surplused.

Ms. Johnson stated that after the TV screens were put up for the Clerks Office it created some unexpected scenarios that has caused her to consider creating an internal policy that requires County Departments to get sign off from other County Departments that will be impacted by the changes Maintenance is being tasked with. The Board stated that would be acceptable.

Meeting adjourned at 10:20 a.m.
