OCTOBER 29, 2018

Board members present: Chairman Laura Osiadacz; Vice-Chairman Obie O'Brien & Commissioner Cory Wright.

Others: Mandy Buchholz, Deputy Clerk of the Board II; Kevin O'Shaughnessy, Maintenance Tech. II; Jim Goeben, IT Director.

REGULAR MEETING

DEPARTMENT HEAD

I.T.

Jim Goeben, IT Director stated that he has been informed that Maintenance will no longer be doing network cable wiring and he wanted to find out if he missed a meeting where that direction came out of or if he should adjust his budget to have it done from an outside business. He stated that they were told that after taking on the additional maintenance at the Event Center they don't have the time.

The Board briefly discussed expectations with Mr. Goeben and it was determined a follow up meeting would be needed.

The Board requested that Mr. Goeben provide a list of phones that need wiring to make the VOIP implementation process work so that the County knows how much more work and man hours are needed as well as where the connections are and the hardware cost. Once that is determined Mr. Goeben was directed to bring it back at an I.T. Study Session and they will determine what route they are going to go.

Meeting adjourned at 10:10 a.m.

DEPUTY CLERK OF THE BOARD

Mandy Buchholz
