REGULAR MEETING

DEPARTMENT HEAD

CDS

Dan Carlson, CDS Director requested the Boards direction on the Census Boundary Survey and Complete Count Committee. He reviewed the pros and cons of both but explained that the Boundary Survey is optional and will take a lot of Staff time. He stated he is not sure there is a benefit and feels it's geared more towards the City. He stated that it is however beneficial for the County to participate in the Complete Count Committee but it's also a lot of work.

The Board opted to not participate in the Census Boundary Survey but to further discuss the Complete Count Committee and what that Committee make up, would look like at Mr. Carlson's next Study Session.

Meeting adjourned at 9:50 a.m.
