SPECIAL MEETING

PROJECT GOALS

COMMISSIONERS

At 8:00 a.m. Chairman Wachsmith opened a Special Meeting to review project priorities and goals at the airport.

The Board went over some direction and priorities they'd like to see at the airport and projects for the new Airport Manager. According to Commissioner Wright, Mr. West had prepared a list of items and the Board felt they should narrow it down, so it is more focused according to priorities. For instance, it is critical to have both runways up and running. They will also be asking Mr. West to put completion dates alongside the list of projects.

The Board also discussed the possibility of having a Commissioner sit on the Airport Advisory Committee and Chair the meetings.

Meeting adjourned at 8:30 a.m.
