**COMMISSIONERS**

The Board overviewed the draft 2021 Kittitas County Commissioners Legislative Agenda Items with Bill Clarke, Special Appointed Lobbyist. Items included were under the topics of policy issues, operating budget, capital budget, transportation budget, and relationship to WSAC legislative agenda. Mr. Clarke provided several points of interest under each topic.

The BOCC decided that under policy issues, the top priorities would be Growth Management Act, Accessory Dwelling Units and Emergency Powers Statute.

The BOCC decided that under operating budget, the top priorities would be Payments in Lieu of Taxes (PILT) and wildfire funding. It was noted though, that the Board did not want to miss out on COVID-19 funding opportunities.

The BOCC decided that under capital budget, the top priorities would be local community projects, specifically Bower's Field Airport and the Bloom Pavilion in the Kittitas County Event Center.

The BOCC decided that under transportation budget, the top priorities would be smaller in ask due to the budget being smaller than anticipated and because of potential federal funding for transportation. The Board decided to prioritize something like a "pit toilet" off of exit 78 on Interstate 90.

Meeting adjourned at 4:13 p.m.
