**COMMISSIONERS**

At 8:30 a.m. Chairman Wachsmith opened a Special Meeting to discuss updated guidance on government operations.

Stephanie Hartung, Deputy Prosecuting Attorney reviewed the current guidance they have received for after June 30, 2021. She stated that the virtual requirement is within the OPMA Proclamation so once that has been updated or if this statute is amended, then we will have further guidance on how we offer meetings. She stated we will need to continue to follow L&I, State, and CDC recommendations.

Lisa Young, HR Director stated that she has items for the Board to formally give direction on during her Study Session later in the day. However they can draft a form for employees to attest to for not wearing a mask.

The Board discussed having all plexiglass removed after June 30<sup>th</sup> at the front counters but if individual desks wanted to keep it up, they could. There was discussion about keeping employees with plexiglass that are not vaccinated and that they will need to continue to mask and socially distance, if not vaccinated.

Meeting adjourned at 8:55 a.m.
