**COMMISSIONERS**

At 1:30 p.m. Chairman Wachsmith opened a Special Meeting to discuss the redistricting process.

Jerry Pettit, Auditor, explained how the County needed to have a plan developed for redistricting by the end of December. He said it doesn't have to be officially approved by that time, but a plan must be developed. He explained how he would be working with Sue Higginbotham to review the precincts and Commissioner District boundary lines. They will then present that information to a Redistricting Advisory Committee as well as identify the laws, WAC's, etc. for their consideration. Once the committee has reviewed and formed their recommendations, they will present that information to the Commissioners. He said at this time, it looks like District #2 has had the most growth in population; District #1 is close to being the same; and District #3 is less than average. Jason Eklund, GIS Coordinator, said he would be willing to provide any maps needed.
