PREAPPLICATION CONFERENCE WAIVER REQUEST FORM

(To be completed for each Preapplication Conference waiver request)

Please type or print clearly in ink. A preapplication conference is required prior submitting certain land use applications per KCC 15A.03.020, however KCC 15A.03.020(4) allows for the preapplication conference to be waived if the CDS Director or Planning Official determines that the proposal is relatively simple (has few, if any, development-related issues), is substantially similar to a prior proposal affecting the same property, or is substantially similar to other projects developed by the same applicant. The following items must be submitted with an application for preapplication conference waiver.

- Completed Preapplication Waiver Request Form
- Written narrative justifying the request for a preapplication waiver. The narrative must include a description of how the proposal is relatively simple (has few, if any, development-related issues), is substantially similar to a prior proposal affecting the same property, or is substantially similar to other projects developed by the same applicant.

AUTHORIZATION

12. Application is hereby made for permit(s) to authorize the activities described herein. I certify that I am familiar with the information contained in this application, and that to the best of my knowledge and belief such information is true, complete, and accurate. I further certify that I possess the authority to undertake the proposed activities. I hereby grant to the agencies to which this application is made, the right to enter the above-described location to inspect the proposed and or completed work.

Pursuant to KCC 15A.03.020, a preapplication conference is required for this type of land use application. The purpose of the preapplication conference is to acquaint county staff with details about the proposed project, reduce or eliminate the county's need to request additional information or corrections that can cause revisions or resubmittals, and reduce time frames for approved applications by providing the applicant detailed input and the applicable requirements for the applicant to submit a complete land use application.

I have chosen to forgo this formal process and request a waiver and proceed without the benefit of a preapplication conference. By signing below, I acknowledge that I am responsible for submitting a complete and code-compliant application and I am aware that failure to do so may result in delay of application processing and could potentially result in application denial.

All correspondence and notices will be transmitted to the Land Owner of Record and copies sent to the authorized agent or contact person, as applicable.
