Hello there,

I am writing to submit my comments in opposition to the project proposal to build a slaughterhouse on Lot #214534, on Wilson Creek Rd. The location is an Ag 5 or less residential neighborhood and would **not** be compatible with an industrial facility of this size. It would negatively affect many, many residents in the area, which is barely 3 miles out of the city/town limits. The proposed project could be relocated further out into a more remote area of the valley and would have less of a detrimental impact.

Thank you for your time and your consideration of longtime Ellensburg residents' input.

Sincerely,

Elena Swan
