Good morning, Kelly,

I was informed that our previous letters of protest will be covering the same environmental and other related concerns that many neighbors have regarding this proposed project, and that we will not have to submit new letters concerning the same issues.

Am I correct in assuming that this is still true, or do we have to submit new letters?

Thank you,  
Jim Ritter

| Good morning,

CDS is requesting comments on the following Conditional Use Application: CU-23-00001 3 BR Custom Cuts. This project is being re-noticed due to the overall design and construction of the Agricultural Processing Facility changing from multi modular units to a single 10,000 square foot processing facility. Links to the file materials can be found below. The comment period will end at 5:00pm on May 26, 2023. CDS will assume your agency does not wish to provide comment if not received by this date. Please let me know if you have any questions or issues accessing the materials.

If the links above do not work, please go to the CDS website at <https://www.co.kittitas.wa.us/cds/land-use/default.aspx> and navigate to “Conditional Use Permits” and then the Project File Number “CU-23-00001 3 Boots Ranch”.

Thank you,
