Chace:

The Department of Health (DOH) Office of Drinking Water (ODW) has reviewed the notice of application and has the following comments:

1. The proposed development of the campground with 30 cabins and a lodge would require a “public” water system – the water system would be either a Group B or Group A, depending on population expected to be served.
2. For Group B, Kittitas County Health would be the sole administrator for reviewing the water system plans. For a Group A, DOH ODW would be the sole administrator for reviewing the water system plans.

If anyone has any questions or concerns, please contact DOH, thanks,

Russell E. Mau, PhD, PE
