I am a resident of Kittitas County, and live on Big Horn Way, just off of Westside road. I live in Kittitas County because I enjoy the rural lifestyle that it provides. I pay taxes here and live here year round. I'm tired of groups of people, hiding under LLC corporations, wanting nothing else but to make a profit out of owning land surrounding our area.

It only brings in people from outside our area that want to come here for a day or two to party and have fun, and then leave, with no regard to the lifestyle that our area provides.

The Fowler Creek Guest Ranch is not a good fit to our community. And serves only the persons owning the land, and does a great disservice to the people who live nearby.

Please do not allow this development to proceed.
