3. Signs shall be posted and on-site prior to the issuance of a Notice of Application.
4. The sign shall be posted in a sturdy manner and remain on-site until fifteen days after the expiration of the Notice of Decision appeal period. It shall be the responsibility of the applicant to properly dispose of the sign.
5. At the time of development application, Community Development Services will identify the number of signs needed and the general location of each sign on the subject property.
6. It shall be the responsibility of the applicant to place the structure on which the sign will be posted on site. At such time the structure and sign is placed, the applicant shall return the signed affidavit of posting form to Community Development Services.
