Mr. Cromie:

The Department of Health (DOH) Office of Drinking Water (ODW) only has a singular comment:

- The water system needs to submit a Construction Completion Report form, to DOH ODW, that is signed and stamped by a Professional Engineer licensed in the State of Washington to attest that the constructed drinking water system infrastructure was installed substantively per the DOH approved design. At this time, DOH ODW has not received any Construction Completion Report form(s) for this water system.

Thanks,
