Hi Bradley - Per our conversation this morning about my irrigation water diversion, I own the land the water is flowing on and through. The old easement when the railroad was constructed gave the land owners easement to their property.

On 1907, Edwin F. Bensen, et Ux to Chicago, Milwaukee & St. Paul Railway Company of Washington, Recording No.17507 a Warranty Deed conveys and Warrant unto The Chicago, Milwaukee & St. Paul Railway Company of Washington, it's successors and assigns, a strip of land, 100 feet in width, extending over and across from the west side to the east side of the following described tracts of land, situated in the County of Kittitas, State of Washington.

I'll forward the emails with Laura Woodiwiss, Amerititle and Tammy Ferguson, Parks, Olympia.

Too bad more research isn't done before comments like Jason Both made!

I'll forward the emails tomorrow!
