RE: ACU-18-00003 Hyak PSERN

Dear Mr. Pilkington,

Thank you for the opportunity to comment on the above listed Application.

1. CDS Building Division has no objections regarding the installation of the tower extension and antennae.
2. The engineering appears to be in order per TIA-222-G and the 2015 IBC. A building permit and plan review is required for this project.

Please don't hesitate to contact me should you have any further questions.

MIKE FLORY
