RE: File # SEG-08-10, Jenson segregation

The County has received the referenced application for Administrative Segregation. As you are aware, KCC 16.18.030 states that, "Any parcel creation proposed for land served by or crossed by an irrigation entity shall provide a water delivery system together with rights-of-way to each lot created by the parcel creation with an irrigation right. The parcel creation shall also provide for easements or rights-of-way from the water source to the water delivery system."

Enclosed, please find a copy of the request for Administrative Segregation, a map showing the current parcel configuration and a map showing the newly created parcel configuration.

KCC 16.18.035 requires a certification from the irrigation entity stating that the proposed parcel creation meets the irrigation entity requirements for continued irrigation of the lands within the entities boundaries. Please notify our office in writing of any requirements so administrative actions may be completed in a timely manner.

Failure to respond to this notice within two (2) weeks shall be interpreted as no action required.

If you have any questions, please feel free to contact our office at (509) 962-7506.

Sincerely,

Mackenzie Moynihan
