I believe that will do it; I get a signature RE taxes w/ the Treasurer's office and request a confirmation email from Ms. Bender at KR D for the file and hopefully we can put this baby to bed. I will CC you regarding final approval and documentation.

I spoke with Mr. Hundley. He has now paid all the taxes on the parcels at issue. In addition, he spoke to the KR D. They indicated that they have no need to bless this mess because the property is considered "Wooded" and not irrigable. This can be confirmed with Kelly Bender at 925-6158.

Is this enough to get this completed? My client is chewing my ear off on this one.
