

KITTITAS COUNTY

DEPARTMENT OF PUBLIC WORKS

MEMORANDUM

TO: Jeff Watson, CDS
FROM: Christina Wollman, Planner III *CW*
DATE: August 17, 2015
SUBJECT: Hundley SG-08-00032

The Public Works Department has reviewed the Request for Boundary Line Adjustment. The applicant has changed the application to only include the lots to the west. The lots to the east accessed from Chepoda Road will require separate approval. The revised application meets current Kittitas County Road Standards.

Our department recommends final approval with the following conditions:

- a. An approved access permit shall be required from the Kittitas County Department of Public Works prior to creating any new driveway access or performing any work within the county road right of way.
- b. Maintenance of driveway approaches shall be the responsibility of the owner whose property they serve. The County will not maintain accesses.
- c. Any further subdivision or lots to be served by proposed access may result in further access requirements. See Kittitas County Road Standards.
- d. Evidence of existing access and/or evidence of access to be created should be confirmed prior to sale of property.
- e. Access is not guaranteed to any existing or created parcel on this application.

Please let me know if you have any questions or need further information.
