Re: Kittitas County File Nos. SG-10-00003 through SG-10-00008;
Plum Creek 1 through Plum Creek 6

Dear Jeff:

This follows-up on our meeting on February 3, 2011. At the meeting, we discussed a number of alternatives and approaches to the above-referenced applications. We are interested in the County's thoughts on various alternatives we discussed and setting another meeting date.

In light of our ongoing discussions, this letter formally requests an extension of 180 days to the current May 7, 2011 expiration date applicable to the above-referenced applications. If granted, the new expiration date would be November 3, 2011.

Please contact me by return mail or email (david.sprinkle@plumcreek.com) with your decision on this request. Thank you.

Very truly yours,

David J. Sprinkle
